Re: Notice of Proposed Groundwater Sustainability Plan
(Water Code § 10728.4)

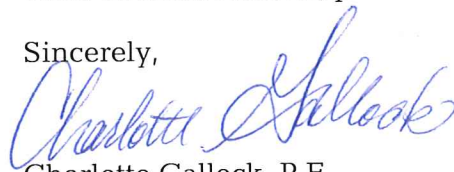

Dear Lemoore City Council:

This letter is intended to provide the City of Lemoore California with notice of the South Fork Kings Groundwater Sustainability Agency's (SFKGSA) proposed adoption of a Groundwater Sustainability Plan (GSP) pursuant to Water Code section 10728.4. Under the Sustainable Groundwater Management Act of 2014 (Water Code §§ 10720 et seq.) (SGMA), at least 90-days prior to holding a public hearing to adopt a GSP, a Groundwater Sustainability Agency (GSA) must provide notice to a city or county within the area of the proposed GSP. (Water Code § 10728.4.)

SFKGSA is holding a public hearing to consider adoption of its GSP on December 2, 2019 at 10:00 a.m. at the Kings County Board of Supervisors Chambers, located at 1400 W. Lacey Blvd in Hanford, California. If you wish to consult with SFKGSA regarding the adoption of its GSP, please provide the undersigned with notice of the same within 30 days of receipt of this notice. Likewise, if you have any comments you would like SFKGSA to review and consider, please provide them to the undersigned prior to the public hearing.

Should you have any questions or concerns regarding the above or any other SFKGSA matter, please do not hesitate to contact us.

Sincerely,

Charlotte Gallock, P.E.
South Fork Kings Groundwater Sustainability Agency
