Office of the City Manager

Today, April 1, 2020, the City of Lemoore announces the immediate closure of all City playground equipment and restrooms to help stop the spread of COVID-19 – effective immediately. The park areas are still available with the reminder of 6' social distancing.

The decision was made in accordance with the latest recommendations from the National Parks and Recreation Association to help stop the spread of COVID-19 and with an abundance of caution due to the inability to adequately disinfect and sanitize the equipment after every use.

Thank you for your continued patience.

Nathan Olson
City Manager
