Subject: Second Reading – Ordinance 2020-04, Approving Zone Change No. 2020-01, Changing the Zoning Map from Regional Commercial to Light Industrial for Property located at 1356 W. Iona Avenue, Just South of SR 198, and West of 19th Avenue and Resolution 2020-10, Approving General Plan Amendment No. 2020-01

Proposed Motion:

Approve second reading of Ordinance 2020-04, approving a Zone Change No. 2020-01, changing the Zoning Map from Regional Commercial to Light Industrial for Property located at 1356 W. Iona Avenue, Just South of SR 198, and West of 19th Avenue. Waive the reading of the Ordinance in its entirety and set the second reading for April 21, 2020. Approval of Resolution 2020-10, approving General Plan Amendment No. 2020-01 and the associated CEQA Categorical/Common Sense Exemption.

Subject/Discussion:

The Planning Commission held a public hearing on March 9, 2020, and approved Resolution 2020-03, recommending approval of General Plan Amendment 2020-01 and Zoning Map Amendment No. 2020-01.

This proposal is a request for a General Plan Amendment and Zoning Map Amendment for a developed 4.25-acre site that is currently zoned Regional Commercial (RC) to be changed to Light Industrial (ML) and a General Plan Amendment and Zoning Map

Amendment for a second parcel of 1.08 acres immediately to the west of the project parcel, currently zoned Regional Commercial (RC) to also be changed to Light Industrial (ML). The change is illustrated on the attached map.

The site's improvements and the type of structure are more suitable to industrial uses than to regional commercial uses. A change to Light Industrial will give the property owner more options to use the site per the allowed uses in the Light Industrial zone.

Originally, the proposal was only for changing the developed 4.25-acre parcel. It was determined that to avoid the appearance of 'spot zoning' that the 1.08-acre property immediately to the west should also be redesignated as Light Industrial. The property owner of the parcel was approached and has indicated to City staff that they are amenable to the change. Staff is unaware of immediate plans to develop this parcel.

Environmental Assessment:

Staff recommends that the project be found to be Categorically Exempt from the requirements of the California Environmental Quality Act (CEQA) per CEQA Guidelines Section 15301 (Class 1 – Existing Facilities) and Section 15061(b)(3) (Common Sense Exemption).

Financial Consideration(s):

None

Alternatives or Pros/Cons:

Pros:

- Approval of the changes would allow more options for industrial use of a site that was designed for industrial uses, not commercial uses.

Cons:

- None

Staff Recommendation:

Staff recommends that Council approve the proposed Ordinance 2020-04, with approval of Resolution 2020-10 and the associated Categorical/Common Sense CEQA Exemption. If the Ordinance is adopted after the second reading, then the zoning ordinance changes would take effect after 30 days.

Loading facilities shall be designated on the south and west side of the facility structure within the interior of the building adjacent to existing roll-up doors.

(Q) 20: If the project involves a variance, conditional use or rezoning application, state this and indicate clearly why the application is required

Response: The property is currently zoned Regional Commercial (RC) which does not comport with the prospective use as stated above, and appears to be inconsistent with the Light Industrial (ML) zoning designation for the majority of adjacent properties within its vicinity.

(Q) 33: Describe the project site as it exists before the project, including information on topography, soil stability, plants and animals, and any cultural, historical or scenic aspects. Describe any existing structures on the site, and the use of the structures. Attach photographs of the site. Snapshots or Polaroid photos will be accepted.

Response: The project site currently houses McCann & Sons, a Trucking Service and Repair shop. The site is flat with soil appropriately compacted for the existing structure. There are no plants or animals, nor any cultural, historical or scenic aspects which could be potentially impacted as this is a previously developed property.

(Q) 34: Describe the surrounding properties, including information on plant and animals and any cultural, historical or scenic aspects. Indicate the type of land use (residential, commercial, etc.), intensity of land use (one-family, apartment houses, shops, department stores, etc.), and scale of development (height, frontage, set-back, rear yard, etc.). Attach photographs of the vicinity. Snapshots or Polaroid photos will be accepted.

Response: The surrounding properties are comprised mostly of Light Industrial Zoned Parcels, and one parcel with Mixed Use (MU) zoning housing a Motel Six located to the east of the project site. There is a Valero gas station located to the south east of the subject property. The adjacent parcel to the west is an empty dirt lot. The adjacent parcel to the south is zoned Light Industrial (ML) and houses a commercial storage facility 'Master Storage'. The property is separated from parcels located to the North by virtue of CA HWY 198.

All of the surrounding properties are flat with soil appropriately compacted for the existing structure(s) where applicable. There are no plants or animals, nor any cultural, historical or scenic aspects which could be potentially impacted as all are located within a Business Park Corridor.

CITY OF LEMOORE-COUNCIL RULES OF PROCEDURE

CHAPTER 1 – AUTHORITY/ADMINISTRATION

A. General Authorities and Applicability

1. The Charter of the City of Lemoore provides that the city council shall determine its own rules and order of business.¹ When not in conflict with the Charter of the City of Lemoore, or the Constitution or laws of the State of California, including the Ralph M. Brown Act,² these City Council Rules of Procedure (“Rules”) shall be in effect upon adoption by resolution of the council.
2. Until such time as they are amended or new rules are adopted by resolution, these Rules shall govern the order and conduct of business of the council and other legislative bodies that meet concurrently with the council, as well as various council committees, and council-established boards and commissions (collectively, “legislative bodies”). Those council-established boards, commissions, and committees that are required by law to adopt rules of procedure shall adopt rules that are consistent with these Rules to the extent possible.

B. General Administration

1. The council shall review and revise these Rules at least annually, or as needed.
2. During council discussions, deliberations, and proceedings, the mayor has the primary responsibility to ensure that council members, staff, and the public adhere to these Rules.
3. Any council member who thinks the Rules are being violated may make a “point of order” to the Mayor or Mayor Pro Tem to enforce the Rules.

C. Amendment

Any rule may be adopted, altered, amended, or repealed by resolution at any time by a majority vote of the council, provided that at least a one-week notice of such proposed rule change is given to the council members.

D. Suspension

Any rule may be temporarily suspended by a two-thirds vote of all council members present, being not less than four votes of the council.

E. Rosenberg’s Rules of Order

To the extent these Rules do not address an issue of parliamentary procedure for legislative body meetings, *Rosenberg’s Rules of Order: Simple Parliamentary Procedures for the 21st Century* shall apply.

CITY OF LEMOORE-COUNCIL RULES OF PROCEDURE

- d. Members of the public with questions concerning Consent Calendar items may contact the staff person who provided the report prior to the meeting to reduce the need for discussion of Consent Calendar items and to better respond to the public's questions; and

Consent calendar items can be pulled at a council member's request and will be considered individually, with up to three minutes of public comment per speaker;
 - c. Discussion Calendar items. Three minutes per speaker;
 - d. Time limits per meeting; and
 - (i) each speaker shall limit his/her remarks to the specified time allotment.
 - (ii) the mayor shall consistently utilize the timing system, which provides speakers with notice of their remaining time to complete their comments. A countdown display of the allotted time will appear and will flash red at the end of the allotted time.
 - (iii) in the further interest of time, speakers may be asked to limit their comments to new materials and not repeat what a prior speaker said. Organized groups may choose a single spokesperson who may speak for the group, but with no increase in time.
 - (iv) speakers shall not concede any part of their allotted time to another speaker.
 - (v) the mayor, with consensus of council, may further limit, or expand, the time allotted for public comments per speaker or in total for the orderly conduct of the meeting; such limits shall be fairly applied.

- IV. Each bargaining unit separately negotiates contracts for its employees with the City. Wages, benefits and conditions of employment of union employees will be provided as specified in the respective CBA. Employees are not granted time off with pay to perform union activities unless specifically provided for in the CBA. - i. Harassment does not include the conduct or actions of supervisors intended to provide employee discipline, such as deficiency notices, performance evaluations, oral warnings, reprimands or other supervisory actions intended to promote positive performance.

III. DISCIPLINARY ACTION:

An employee who harasses another employee or member of the public may be subject to the full range of disciplinary action, including discharge.

SECTION 20-2 SCHEDULING DAYS/HOURS OF WORK

I. PURPOSE:

To establish a policy setting uniform days/hours of work for employees.

II. STATEMENT OF POLICY:

- a. This section establishes guidelines for supervisors in scheduling the days and times employees are to be at their jobs in order to meet the needs of the City and to assure compliance with the Fair Labor Standards Act (FLSA) and appropriate state laws and regulations.
- b. Except as otherwise provided by CBA, the normal work week shall consist of 40 working hours in a seven day period commencing on Monday at 12:00 a.m. and continuing to Sunday at 11:59 p.m.
- c. Except as otherwise provided by CBA, the normal work day is eight hours, with an unpaid lunch period of one-half to one hour. Employees are expected to be at their work locations and ready to begin work at the beginning of their work schedule. Depending on the nature of the job, some lunch periods may be scheduled to allow for continuous staffing of offices. It may be necessary for some departments to have 24-hour coverage in the unit, making it necessary to schedule longer shifts.
- d. Department heads will establish days and hours, with exception for the preceding, for each employee under his/her supervision with the approval of the City Manager.
- e. The standardization of working hours is necessary to provide:
 - i. Continuity in access by and service to the resident's citizenry.
 - ii. Facilitation of teamwork.
 - iii. Facilitation of supervisory assistance.

- III. Individual requests for adjustment of working hours for personal reasons must be evaluated in light of the effect on the criteria enumerated in items i-iii above.
- IV. Advance notice of anticipated tardiness is expected; notice of unavoidable tardiness is expected when possible. Failure to do so will be construed as an unexcused absence and subject to disciplinary action. At the discretion of the department head, tardiness may be made up during the week in which it occurs.
- V. Notification by another employee, friend or relative is not considered proper except in any emergency situation where the employee is physically unable to make the notification.

- VI. Daily attendance records will be maintained by each department; including date and time absent and reason for absence. Attendance may be considered in determining promotions, transfers, satisfactory completion of probationary or trial periods, and continued employment with the City.
- VII. Frequent tardiness or other attendance irregularities shall be cause for disciplinary action, up to and including, termination.
- VIII. Hours for part-time and certain employees may vary from the normal office hours noted above due to the nature of their duties and will be determined by the appropriate department head, with concurrence of the City Manager.

SECTION 20-3 OVERTIME/COMPENSATORY TIME

I. PURPOSE:

To provide for overtime/compensatory time compensation for employees working in excess of forty hours per week.

II. POLICY:

- a. Only employees considered "non-exempt" by the Fair Labor Standards Act ("FLSA") are paid 1-1/2 times their "regular rate" for actual hours worked in excess of 40 hours in any workweek. Workweek begins at 12:00 a.m. on Monday and ends at 11:59 p.m. on Sunday.
- b. Overtime is based on actual hours worked and vacation leave hours. Time off for sick leave, compensation time, or any other leave of absence will not be considered hours worked for the purposes of overtime calculations.
 - i. All overtime must receive prior approval from the supervisor. Employees who continually work overtime without receiving prior authorization from their Department Head may be subject to disciplinary action, up to and including termination.
 - ii. If a "non-exempt" employee desires compensatory time instead of overtime pay, he/she must request it in writing on their time card.
 - iii. Supervisors must not accept voluntary overtime from "non-exempt" employees without paying overtime or granting compensatory time. In other words, if a supervisor is aware that a "non-exempt" employee is voluntarily working overtime, the supervisor must direct the employee to stop working or be willing to authorize the overtime.
 - iv. A "non-exempt" employee who is requested to work over 40 hours in a week must be paid 1-1/2 times his/her regular rate, unless otherwise specified in a CBA. Compensatory time will be allowed at the rate of 1-1/2 hours for each hour worked. The CBA will be followed for union employees working on Sundays, etc.
 - v. All records of compensatory time worked, compensatory time taken and overtime worked by "non-exempt" employees must be included on the timecard for the period the hours were worked or taken off.
 - vi. Compensatory time may be accrued or taken at the discretion of the City. Employees may accumulate up to 90 hours of compensatory time, unless otherwise specified in

a CBA.

- vii. Supervisors may require that compensatory time be taken at a time so as not to disrupt the operation of the unit. Supervisors may require employees to take overtime in lieu of compensatory when over the maximum hours. Compensatory time will be paid if a balance exists at the time an employee terminates or promotes, subject to the City Manager's approval.

III. LIMITATIONS:

- a. This policy shall not apply to employees whose CBA provides for a different work period.
- b. This policy does not apply to executive, professional, administrative, and all other employees who are exempt from the FLSA, unless otherwise provided by CBA.
- c. The Human Resources Department reviews what an employee does and compares the duties and responsibilities to the test provided by the FLSA and California Wage and Hour Laws.

IV. HOLIDAYS AND OVERTIME ON HOLIDAYS:

- a. Holiday Pay for Holiday Worked:
 - i. A holiday is defined as being any eight (8) hour period of scheduled work time identified by city policy. When an employee is ordered to work on a city-recognized holiday, he/she will be paid straight time for all the hours worked. In addition, straight time will be paid for eight hours to cover the normal day which has been identified as a holiday.
- b. Scheduled Holidays for Employees on Shifts Longer Than 8 Hours:
 - i. For those employees who are on a shift which is longer than eight hours, holiday time will only be paid for eight hours. The hours over eight are accounted for by either working or taking vacation leave.
- c. Part-time, Seasonal and Temporary employee's hours will be pro-rated.
- d. An employee will be allowed to take a holiday or another day if the holiday falls on an employee's regular day off. Scheduling of this day will be subject to the approval of their supervisor.
- e. Holiday Worked (Shifts Scheduled Over 8 Hours):
 - i. Employees who are scheduled to work on a city-recognized holiday and are assigned to a shift longer than 8 hours will be entitled to holiday pay of 8 hours, as set forth above. Thereafter it shall be at the rate of 1-1/2 times their regular rate for the remaining hours of the shift.

V. OVERTIME TRAVEL:

- a. Each overtime travel situation will be evaluated to determine if it is compensable. Basically, if travel is considered "work" in the interpretation of the FLSA, it is compensable. Review the City's Trip and Travel Policy for frequently asked questions. Completion of the necessary form is required for reimbursement.

SECTION 20-4 NEPOTISM

I. PURPOSE:

To establish policy for the employment of immediate relatives in order to assure the reality and appearance of fairness in the best interest of the City.

II. STATEMENT OF POLICY:

Relatives and significant others shall not maintain a regular reporting relationship to one another in the direct chain of departmental command. If such a relationship is created, one of the parties must elect to transfer to or be selected for a vacant position for which they are qualified where there is no chain of command reporting relationship. As an alternative, the parties may elect to discontinue the relationship, or one or both parties may elect to resign or retire. Failure to discontinue the relationship, resign, retire, transfer to, or be selected for another position within 90 days shall result in separation of the supervisory employee from service.

It shall be the responsibility of the supervisory employee to immediately notify his or her Department Director and the Human Resources Director of any such relationships. Where organizational necessity (department size, etc.) makes it unreasonable to enforce this Nepotism provision, the City Manager may waive the Nepotism requirement with a written statement justifying the waiver.

III. DEFINITIONS:

- a. "Relatives" for the purpose of this section shall include a parent, spouse, child, grandparent, brother or sister, whether related by blood or marriage.
- b. "Significant others" for purposes of this section shall include individuals with a relationship that may compromise the chain of command or the public trust, such as a legal guardian, dependent, or life partner.

SECTION 20-5 PROBATION & TRIAL PERIOD

I. PURPOSE:

To establish policy and procedure for the probation & trial period for new employees and current employees who transfer to a new position.

II. STATEMENT OF POLICY:

- a. All newly hired employees must serve a period of initial probation. All employees serve an initial probation of one (1) year.

- b. The initial probation period is designed to give the employee time to learn the position and to give the supervisor time to evaluate the employee's potential and performance.
- c. Probationary employees will be formally evaluated at six (6) months and twelve (12) months of employment. An employee is only eligible for a merit increase upon successful completion of the initial probationary period, at one (1) year, and at such time they are considered regular employee. No merit increase is provided at the six (6) month evaluation. All merit increases are subject to City Manager approval.
- d. At the end of the initial probation period, the employee is formally evaluated and provided written documentation of progress. Other evaluations, as noted above, will be conducted during the course of the probation period to assess performance and to advise employees of expectations regarding performance. Significant job deficiency(ies) shall be documented in the employee's personnel file. These evaluations provide the necessary justification for retention of the person as a regular employee
- e. - b. It is the policy of the City that the choice of dress be left to the employee's discretion; however, the dress must conform to the work environment and should be conservative and non-offensive to other employees or the public. SECTION 40-4 OUTSIDE EMPLOYMENT

I. PURPOSE:

II. STATEMENT OF POLICY:

III. PROHIBITED PRACTICES:

An officer or employee of the City of Lemoore shall not:

 - i. Any traffic violations while operating a City-owned vehicle will be reported immediately to your supervisor.

This section shall be interpreted in a manner consistent with applicable law, as may be amended.

SECTION 40-7 DISCIPLINARY ACTION

I. PURPOSE:

To establish policies and procedures related to disciplinary action for City employees.

II. STATEMENT OF POLICY:

- a. It shall be the policy of the City to administer discipline fairly, reasonably, and impartially. Employees and the City are best served when discipline is administered to correct actions rather than to punish.

III. PROCEDURE:

- a. The tenure of City employees shall be based on reasonable standards of job performance and personal and professional conduct. Failure or refusal to meet these standards shall constitute just cause for non-disciplinary and disciplinary actions including oral or written

reprimand, temporary reduction in pay, suspensions, demotions, and termination.

- b. Disciplinary action is not primarily intended to be punitive, but rather to maintain the efficiency and integrity of City service. The nature and severity of the offense and the employee's prior record shall be considered.
- c. In any disciplinary action, the pertinent information shall be reviewed with the employee specifying the following: The cause for discipline, the specific reasons supporting the cause, the discipline to be imposed, the effective date, and the right of the employee to be heard.
- d. Employees may be disciplined for, but not limited to, areas detailed in the Policy on EMPLOYEE CONDUCT.
- e. The degree of discipline administered will depend on the severity of the infraction and shall be in accordance with any applicable CBA, regulations, and City policies and procedures as well as local, state or federal laws and regulations.
- f. It is the responsibility of each supervisor and department head to investigate and evaluate thoroughly the circumstances and facts as objectively as possible and apply the most suitable form of discipline.
- g. If, after an initial review of the allegations by a supervisor or department head, it is determined that further review is warranted, employees being investigated should be notified in writing of any allegations/infractions against them and that an investigation will be taking place.
- h. Supervisor or department heads are to conduct thorough investigation for all allegations warranting an investigation. Human Resources will provide assistance to the supervisor or department head with regard to employee notices, and scheduling investigative meetings.
- i. Upon completion of the investigation the supervisor or department head will issue a Notice of Intent to Discipline to the employee indicating the cause for discipline, the specific reasons supporting the cause, the discipline to be imposed, the effective date, and the right of the employee to be heard.
- j. Under normal circumstances, the Notice of Intent to Discipline will be issued within a reasonable time after the occurrence of the violation claimed by the supervisor and normally should not exceed forty-five (45) days. This is to allow for sufficient time to conduct an adequate investigation of the incident, to hold the pre-disciplinary hearing and to permit consideration of disciplinary alternatives by appropriate managerial personnel.

IV. TYPES OF NON-DISCIPLINARY ACTION MAY INCLUDE:

- a. **Oral Reprimand** - This type of discipline should be applied to infractions of a relatively minor degree or in situations where the employee's performance needs to be discussed. The oral reprimand should be given in private and should inform the employee that the supervisor is issuing an oral reprimand, that the employee is being given an opportunity

to correct the condition, and if the condition is not corrected, the person will be subject to more severe disciplinary action up to, and including, termination.

- i. A record of discussion may be provided to the employee which may include the date, and general content discussed, as well as any corrective actions to be taken by the employee.
- b. **Written Reprimand** - This notice will be issued in the event the employee continues to disregard an oral reprimand or if the infraction is severe enough to warrant a written reprimand in the employee's personnel file.
 - i. The reprimand shall state the nature of the infraction in detail and what corrective action must be taken by the employee to avoid further discipline.
 - ii. A copy of the written reprimand is to be handed to the employee at the time of the discussion of the discipline.
 - iii. The employee shall sign the written reprimand to acknowledge receipt. A copy, signed by the employee, will be placed in the employee's personnel file. If the employee refuses to sign the acknowledgment, then the supervisor and one other witness shall note on the reprimand that the employee received a copy thereof and refused to sign it.

V. TYPES OF DISCIPLINARY ACTION MAY INCLUDE:

- a. **Suspension** - This form of discipline is administered as a result of a significant infraction of policies or for repeated violation. For minor infractions, a suspension is often given after the employee has received a written reprimand.
 - i. **Suspension Without Pay** - An employee will be suspended without pay when the offense is of a serious enough nature usually sufficient for discharge, but when circumstances related to an employee's overall performance would not warrant immediate discharge. The length of suspension should not normally exceed fifteen (15) work days.
 - ii. **Suspension with Pay** - At the discretion of the City Manager or his/her designee, an employee of the City may be suspended with pay and benefits pending investigation of allegations of misconduct, when the nature of the allegation compromises the ability of the employee to perform his/her duties, and when a substantial period of time will be required to complete an investigation or legal action. **Such a suspension is not a disciplinary action.**
- b. **Temporary Reduction in Pay** – This form of discipline is typically administered as a result of a significant infraction of policies or for repeated violations. It may also be used after an employee has received suspension with or without pay which did not result in corrective behaviors.
 - i. Temporary reductions in pay shall not exceed a 5% of the employee's base pay or continue for longer than six (6) consecutive months.
- c. **Demotion** - Demotion may be used when continued infractions occur and warrant

removal from current duties as a result of progressive disciplinary action, or when an initial policy violation is significant enough to remove an individual from their current position. It may also be used in those instances where an employee has been promoted to a position where he/she is unwilling or unable to perform the responsibilities of that position. Demotion is not to be used as a substitute for termination, when termination is warranted.

- d. **Termination** - Immediate removal of an employee from the job site pending review for termination may be warranted in instances involving significant misconduct, theft, serious illegal or destructive acts while on the job, or other substantial reasons deemed appropriate by the City Manager. An employee may also be discharged after repeated offenses of a less serious nature, including poor work performance, if the offenses have been documented by the supervisor.
 - i. **Probationary employees** - on their initial probation may be terminated at any time without cause and without the right of appeal for violations of policy or any laws. Notification of termination in writing shall be provided the probationary employee and a copy filed in his/her personnel file. Termination of probationary employees also require the concurrence of the City Manager.
- VI. The Notice of Intent to Discipline is to be signed by the employee and placed in the employee's personnel file with a copy given to the employee.
- VII. In those instances where employees are covered by a CBA, the CBA provisions shall govern disciplinary action, if included in the CBA. In all other cases, this policy and procedure shall apply.
- VIII. **Pre-disciplinary Hearing - Standards/Notice of Discipline.** Human Resources, and/or designee, shall provide and arrange for a pre-disciplinary hearing prior to the suspension without pay, temporary reduction in pay, demotion, or termination of any employee. This shall occur after the issuance of a Notice of Intent to Discipline.
- a. An employee shall be provided, in writing, with a Notice of Intent to Discipline, including an explanation of the department's evidence, the intended disciplinary action, and the date discipline shall commence. The employee shall be given an opportunity to respond to the charges, orally or in writing, as to why the proposed action should not be taken.
 - i. Responses in writing shall be received by Human Resources no later than five (5) calendar days following the issuance of a Notice of Intent to Discipline.
 - ii. Human Resources shall make every attempt to schedule pre-disciplinary hearings within fourteen calendar (14) days of the issuance of the Notice of Intent to Discipline.
 - b. The employee may have legal counsel or union representation present at a pre-disciplinary hearing.
 - c. A hearing officer will be assigned by Human Resources. A hearing officer shall be someone other than the individual recommending discipline.

- d. The department's explanation of the evidence at the pre-disciplinary hearing shall be sufficient to apprise the employee of the basis for the proposed action. The hearing officer shall be provided all document/facts related to the Notice of Intent to Discipline.
- e. The hearing officer shall provide a written report to the supervisor or department head outlining their disciplinary recommendations. The report shall be provided no later than fourteen (14) calendar days following the pre-disciplinary hearing.
- f. Following receipt of the hearing officer's recommendation, the supervisor or department head shall review the information and determine if the original discipline, or modified discipline as recommended by the hearing officer, shall stand. In no case, shall the discipline be more severe that was originally noticed to the employee.
- g. Notice of Discipline shall be issued to the employee no later than ten (10) calendar days following receipt of hearing officer report by the supervisor or department head. The Notice of Discipline shall include the disciplinary action, grounds for discipline (policy violations), date and duration of discipline and any other relevant facts regarding discipline to be rendered.
- h. Following receipt of the Notice of Discipline, the employee may appeal the decision to the City Manager. The City Manager shall be provided copies of the investigative report, personnel file, Notice of Intent to Discipline, written response of employee, copy of hearing officer report (if one exists) and the Notice of Discipline. The City Manager shall review the information and make a determination on whether or not the discipline shall occur as issued, be modified, or shall be rescinded.
- i. The decision of the City Manager is final. If the City Manager is the department head that initiated discipline and issued the Notice of Discipline, the appeal shall be heard by the Assistant City Manager, or another designee.

Forty-eight hours (48) prior to the grievance meeting, the employee shall inform the immediate supervisor, Department Director, or City Manager whether he or she shall be represented at the grievance meeting and shall identify the representative.

- a. Employees of the City of Lemoore may deal with confidential information. It is imperative that employees maintain City of Lemoore integrity and not discuss City of Lemoore business with people who should not be privy to the information. SECTION 40-14 DRUG FREE WORK PLACE

I. PURPOSE AND INTENT:

- a. The City has a vital interest in maintaining safe, healthful, and efficient working conditions for its employees. Being under the influence of a drug or alcohol on the job poses serious safety and health risks to the person under the influence, coworkers, and members of the public. The City has established guidelines intended to eliminate drug and alcohol abuse and the effects of such abuse in the workplace in accordance with applicable law. These guidelines apply to all City employees.
- b. Consistent with the federal Drug-Free Workplace Act, it is the City’s policy that employees shall not possess, use, unlawfully manufacture, distribute, dispense, sell, or be under the influence of prohibited substances on the job. Prohibited substances include the following:
 - ii. Alcohol, which shall include any form of consumable alcohol in any strength (proof) in any quantity.

- iv. Legal Drugs, which shall include lawfully prescribed or which are non-prescription medications.  - v. If a supervisor reasonably suspects that an employee's use of a legal drug adversely affects the employee's ability to perform the job safely and efficiently, the safety of other employees, the public, or City facilities and operations, the supervisor may request that the employee obtain and provide a written release from a medical professional indicating that the employee can work safely and efficiently while taking the legal drug. Nothing in this policy shall be construed to prohibit the City from its responsibility to maintain a safe and secure work environment for its employees. The City may, at its sole discretion, invoke disciplinary actions as appropriate for employee misconduct related to the use or abuse of alcohol or drugs or both.
- e. Supervisors who have reasonable suspicion that an employee is under the influence of a prohibited substance or has illegal drugs in his/her possession or stored in City property shall document the facts constituting reasonable suspicion in writing. "Reasonable suspicion" is a belief based on objective facts sufficient to lead a reasonable person to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or that the employee's ability to

- a. If all sick leave credits have been used, an employee who is eligible, and with the department head's approval, may use vacation leave.

VIII. SICK LEAVE/OVERTIME:

- a. Hours accounted for by leave time (i.e., not physically worked, such as compensatory time, sick leave, holiday leave, etc.) shall not be considered hours worked for the purpose of calculating overtime hours earned in a work week.

IX. ABUSE OF SICK LEAVE:

- a. The employee sick leave program is designed to provide employees with two benefits:
 - i. Available paid leave for a reasonable amount of short-term illnesses, and;
 - ii. Provide a savings bank of time to ensure available paid leave for long-term illnesses. Employees are responsible for the appropriate use of their sick leave.
- b. In order to ensure that the sick leave program is being utilized for both purposes, all city employees are monitored to ensure that their use of sick leave benefits are not abused, this also includes "excessive usage" which is defined as follows:

- i. Sick Leave Abuse means misrepresentation of the actual reasons for charging an absence to sick leave, and may include chronic, persistent, or patterned use of sick leave not defined as a Family Medical Leave Act (FMLA) qualifying or American Disabilities Act (ADA) event. Indications of sick leave abuse may include but are not limited to the following:
 - 1. A pattern of using sick days the day before, or the day after, regularly scheduled days off or Holidays.
 - 2. Continued call-ins for illness on Holidays for which the employee is scheduled to work.
 - 3. A pattern of sick leave on the same day of the week, or month.
 - 4. A pattern of using sick leave on, or the day after, payday.
 - 5. An employee's use of a majority of or all of his/her earned sick leave, unless obvious mitigating circumstances are present.
 - 6. Witnessing of an employee's activities while on sick leave which indicates that he/she is not using sick leave properly; such as recreating, attending social functions or performing alternative work.
- c. Employees who engage in sick leave abuse, and/or show a pattern of failing to notify their supervisor of absences may be subject to corrective discipline up to and including termination.
- d. This section would not apply to employees who have depleted their leaves due to long term confirmed chronic medical problems as defined under FMLA or the ADA, which may result in numerous absences from their job through no fault of their own. These cases will be evaluated on a case-by-case basis as to the appropriate city action.
- e. Reprimand and Discipline.
 - i. Once an employee has been identified as having abused sick leave usage, as defined above, the employee normally will first be counseled by their supervisor advising them of the policy related to abuse of sick leave.
 - ii. Absences improperly charged to sick leave may, at the agency's discretion, be charged to available compensatory time or leave without pay. Annual leave may be used at the mutual agreement of the employee and the agency.
 - iii. Continued abuse following the first counseling session will result in discipline up to and including termination.

X. EFFECT OF EXTENDED LEAVE OF ABSENCE ON QUALIFYING WORK PERIOD:

- a. When an employee who has not worked the qualifying period (defined as the period of 90 days before use of sick leave can begin) for use of sick leave takes an approved continuous leave of absence without pay exceeding 15 working days, the amount of time on leave of absence will not count toward completion of the qualifying period. An approved continuous leave of absence without pay of 15 working days or less will be counted as time earned toward the 90-day qualifying period.

XI. SICK LEAVE REQUESTS:

- a. It is City policy for employees to report illnesses to supervisors or other department officials at the earliest possible time, but not to exceed thirty (30) minutes following the scheduled time to report to duty (except in extenuating circumstances). Employees who do not report to work and fail to notify their supervisors will be considered AWOL (Absent Without Leave) and may not be paid for time off. It shall be the responsibility of the employee, and not a third party, to notify the supervisor of the absence.
- b. The employee's immediate supervisor or department head may require medical certification of sick leave charged against any sick leave credits.
- c. Medical certification may also be required to certify that the illness of a family member required the immediate attention of the employee.
- d. Medical certification of maternity-related sick leave must be obtained in the same manner and under the same conditions as certification for other sick leave.

- c. Employees must notify their supervisors and request leave as far in advance as possible.

SECTION 60-10 FAMILY AND MEDICAL LEAVE

I. PURPOSE:

- a. This policy outlines the basic procedures governing Family and Medical Leave. Family and Medical leaves are unpaid, job-protected leaves of absence by employees for child care, personal medical care, family medical care and certain other circumstances.
- b. This policy is intended to implement the Federal Family and Medical Leave Act ("FMLA"), as amended which became effective January 16, 2009. It is intended to be interpreted and applied consistently with those laws.

II. STATEMENT OF POLICY:

- a. An employee will be eligible to seek a Family and Medical Leave if:
 - i. the employee has worked for the City for at least twelve (12) months; and,
 - ii. the employee has worked for the City for at least 1,250 hours during the 12 months;
 - iii. In certain circumstances, separate periods of employment are aggregated for purposes of meeting the 12-month requirement. Additionally, any time that the employee would have worked for the City but for his or her Armed Forces (including National Guard or Reserve) obligations is counted toward the 1,250 hour requirement for Family and Medical Leave.
 - iv. The employee and spouse, if both employed by the City, are each eligible for up to twelve (12) weeks FMLA leave to care for a covered service member with a serious injury or illness, and for the birth and care of a newborn child, for placement of a child for adoption or foster care, or to care for a parent who has a serious health condition.
 - 1. The FMLA defines a child ("son or daughter") as a "biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing "in loco parentis", who is— (A) under 18 years of age; or (B) 18 years of age or older and incapable of self-care because of a mental or physical disability."
 - a. "In loco parentis" is commonly understood to refer to a person who has put

himself in the situation of a lawful parent by assuming the obligations incident to the parental relation without going through the formalities necessary to legal adoption. The FMLA regulations further defines “in loco parentis” as including those with day-to-day responsibilities to care for and financially support a child.

2. Individuals claiming in loco parentis may be required to submit in writing confirming this status with the child.

III. TYPES OF FAMILY AND MEDICAL LEAVES:

For purposes of this policy, the term “Family and Medical Leave” refers to the leaves of absence under the FMLA. Eligible employees may qualify for any of six types of Family and Medical Leaves. Throughout this policy, the terms “Family and Medical Leave” and “FMLA Leave” refer to any of the following six types of leaves:

a. Pregnancy Leave

- i. An employee may take Pregnancy Leave due to incapacity due to pregnancy, prenatal medical care or child birth.
- ii. Pregnancy leave will run concurrently with FMLA leave.

b. Birth, Adoption and Child Care Leave

- i. An employee may take a Birth, Adoption and Child Care Leave to care for his or her child after birth, or for placement with the employee of a child for adoption or foster care. The leave must be completed within 12 months of the child’s birth, adoption or foster care placement.

c. Family Illness Leave

- i. An employee may take a Family Illness Leave to care for a seriously ill or injured spouse, parent or child.
- ii. The illness or injury must be a “serious health condition” within the meaning of the FMLA, a term which is defined below.
- iii. If the leave is for the care of a child, the child must either be under age 18 or be unable to care for himself or herself due to a mental or physical disability.

d. Employee Illness Leave

- i. An employee may take an Employee Illness Leave because of a serious health condition that makes the employee unable to perform his or her job.

e. Qualifying Exigency Leave

- i. An eligible employee is eligible for up to a total of 12 work weeks of unpaid leave during the normal 12-month period established by the City for FMLA leave for qualifying exigencies arising out of the fact that the employee’s spouse, son, daughter, or parent is on active duty, or has been notified of an impending call or order to active duty, in support of a contingency operation. Under the terms of the statute, qualifying exigency leave is available to a family member of a military member in the National

Guard or Reserves; it does not extend to family members of military members in the Regular Armed Forces. Qualifying exigencies include:

1. Issue arising from a covered military member's short notice deployment (i.e., deployment on seven or less days of notice) for a period of seven days from the date of notification;
 2. Military events and related activities, such as official ceremonies, programs, or events sponsored by the military or family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross that are related to the active duty or call to active duty status of a covered military member;
 3. Certain childcare and related activities arising from the active duty or call to active duty status of a covered military member, such as arranging for alternative childcare, providing childcare on a non-routine, urgent, immediate need basis, enrolling or transferring a child in a new school or day care facility, and attending certain meetings at a school or a day care facility if they are necessary due to circumstances arising from the active duty or call to active duty of the covered military member;
 4. Making or updating financial and legal arrangements to address a covered military member's absence;
 5. Attending counseling provided by someone other than a health care provider for oneself, the covered military member, or the child of the covered military member, the need for which arises from the active duty or call to active duty status of the covered military member;
 6. Taking up to five days of leave to spend time with a covered military member who is on short-term temporary, rest and recuperation leave during deployment;
 7. Attending to certain post-deployment activities, including attending arrival ceremonies, reintegration briefings and events, and other official ceremonies or programs sponsored by the military for a period of 90 days following the termination of the covered military member's active duty status, and addressing issues arising from the death of a covered military member;
 8. Any other event that the employee and employer agree is a qualifying exigency.
- ii. FMLA leave may be taken intermittently whenever medically necessary to care for a covered service member with a serious injury or illness. FMLA leave also may be taken intermittently for a qualifying exigency arising out of the active duty status or call to active duty of a covered military member. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer's operation.
- iii. Under certain conditions as noted below, employees or employers may choose to "substitute" (run concurrently) accrued paid leave (such as sick, comp, personal day or vacation leave) to cover some or all of the FMLA leave.
1. Upon the birth of a child to an eligible employee, or the placement of an adopted or foster child with an eligible employee, that employee is entitled to FMLA leave. The leave must be completed within one year of the birth or placement of the child. The leave shall be unpaid unless it qualifies under the sick leave policy or unless the employee elects to use accrued vacation leave, accrued comp time or their

annual “personal holiday”, for part or all of such leave.

2. FMLA Leave which qualifies for sick leave shall be paid leave to the extent that the employee has accrued sick leave credits. When an employee has exhausted accrued sick leave, FMLA leave shall be unpaid leave, except that the employee may elect to use accrued vacation leave for part or all of the unpaid leave.

f. Military Caregiver Leave

- i. An employee who is a spouse, son, daughter, parent, or next of kin of a covered service member with a serious injury or illness up to a total of 26 workweeks of unpaid leave during a “single 12-month period” to care for the service member.
- ii. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness.
- iii. A serious injury or illness is one that was incurred by a service member in the line of duty on active duty that may render the service member medically unfit to perform the duties of his or her office, grade, rank, or rating.
- iv. The “single 12-month period” for leave to care for a covered service member with a serious injury or illness begins on the first day the employee takes leave for this reason and ends 12 months later, regardless of the 12 month period established by the employer for other types of FMLA leave. An eligible employee is limited to a **combined** total of 26 workweeks of leave for any FMLA-qualifying reason during the “single 12-month period.” (Only 12 of the 26 weeks total may be for a FMLA-qualifying reason other than to care for a covered service member.)

IV. SERIOUS HEALTH CONDITION:

- a. A “serious health condition” is an illness, injury impairment or physical or mental condition that involves either an overnight stay in a medical care facility or continuing treatment by a health care provider for a condition that either prevents the employee from performing the essential functions of the employee’s job or prevents the qualified family member from participating in school or other daily activities.
- b. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity or more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

V. NOTICE AND SCHEDULING OF LEAVE AND RELATED EMPLOYEE RESPONSIBILITIES:

a. Required Information

- i. Employees who seek a Family and Medical Leave must provide sufficient information for Human Resources to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that

the employee is unable to perform job functions; the family member is unable to perform daily activities, or the need for hospitalization or continuing treatment by a health care provider or circumstances supporting the need for a Qualifying Exigency Leave or a Military Caregiver Leave. Employees must also inform Human Resources if the requested leave is for a reason for which a Family and Medical Leave was previously taken or certified. Failure to provide sufficient information may result in denial of leave.

- ii. Employees will also be required to provide a certification and periodic recertification supporting the need for leave. Unless a longer period is specified, a medical certification or recertification must be completed and returned to the City within ten (10) days of the City's request. Moreover, employees on leave may be contacted periodically for updates concerning their status and intent to return. Employees are expected to be fully responsive to such requests for updates.

b. Advance Notice of Foreseeable Leave

Except as otherwise provided below, employees must provide 30 days' advance notice of the need to take a Family and Medical Leave with the need for the leave is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable.

c. Form of Notice of Foreseeable Leave

An employee requesting Family and Medical Leave shall submit a "Leave of Absence Application" to his or her department head. Upon notification of the leave request, Human Resources will forward the "Certification of Health Care Provider" or the "Certification for Serious Injury or Illness of Covered Service Member for Military Caregiver Leave" to the employee. This form must be returned to Human Resources within 10 calendar days.

- i. The certification shall be filed on a form provided by Human Resources;
- ii. Recertification shall be filed on the same form by the employee anytime that the employee seeks an extension to his or her leave or every six months;
- iii. The information required on the "Leave of Absence Application" form is the only information that may be requested by the Department head to support the leave request.
- iv. The "Certification of Health Care Provider" form(s) may be executed by a person licensed by the State to practice medicine, osteopathy, podiatry, dentistry, clinical psychology, optometry, or chiropractic, or by a nurse practitioner or nurse midwife authorized by State law, or Christian Science practitioners appropriately listed.
- v. The "Certification for Serious Injury or Illness of Covered Service Member for Military Caregiver Leave" must be completed by a United States Department of Defense (DOD) Health Care Provider or a Health Care Provider who is either:
 - 1. a United States Department of Veteran's Affairs (VA) health care provider;
 - 2. a DOD Tricare network authorized private health care provider; or,
 - 3. a DOD non-network Tricare authorized private health care provider.

d. Scheduling of Foreseeable Leaves

If an employee plans to take a Family Illness Leave, an Employee Illness Leave or Military Caregiver Leave because of planned medical treatment, the employee must make an effort to schedule the treatment to reduce the disruption to the City, subject to the health care provider's approval. An employee should generally consult with his or her supervisor to explore alternatives to reduce disruption to the City.

e. Notice of Unforeseeable Leave

When a Family Illness Leave, an Employee Illness Leave, Military Caregiver Leave or Qualifying Exigency Leave is needed due to a reason that was not foreseeable, the employee should give Human Resources verbal or written notice as soon as he or she reasonably can. As soon as practicable, the written notices set forth above in paragraphs V.C.(1) – (5), shall be completed by the employee requesting unforeseeable leave.

f. Effect of Insufficient Notice

An employee's failure to give adequate notice may delay, or may result in the denial of, the employee's right to take Family and Medical Leave.

VI. CONFIRMATION OF LEAVE:

- a. The City will inform employees who request Family and Medical Leave whether they are eligible for a leave that is covered by the FMLA within five (5) business days, absent extenuating circumstances. If the leave is approved, Human Resources will send a "Notice of Eligibility and Rights & Responsibilities" form to the employee.
- b. If they are not eligible and the leave is denied, the reason will be stated on the form. If the leave is approved, the Human Resources Department will forward a "Designation Notice" to the employee.

VII. LENGTH OF LEAVE AND RESTORATION RIGHTS:

a. In General

- i. In general, expect for those employees taking Military Caregiver Leave, an employee will be entitled to a maximum of 12 weeks of Family and Medical Leave during any 12-month period. The 12-month period is a "rolling" period measured backward from the date an employee uses any leave under this policy. Each time an employee takes any Family and Medical Leave, the remaining leave entitlement will be any balance of the 12 weeks that has not been used during the immediately preceding 12 months.
- ii. In the case of Military Caregiver Leave, an employee is entitled to a maximum of 26 weeks of leave in the 12-month period beginning on the first day that the employee takes this form of leave and ending 12 months later.

b. Nature of the Leave

- i. Unless otherwise approved, a Birth, Adoption and Child Care Leave must be taken at one time and must be taken before the end of the 12-month period beginning on the date of the child's birth or placement. The other Family and Medical Leaves may be taken through either a reduced working schedule or intermittently if such an arrangement is medically necessary, or if the City approves such an arrangement in its sole discretion.
 - ii. If an employee is entitled to a Family Illness Leave, an Employee Illness Leave or a Military Caregiver Leave or if the employee is permitted to work on a reduced work schedule or intermittent basis, the City may transfer the employee temporarily to a position for which he or she is qualified and which has equivalent pay and benefits if the alternative position would better accommodate the recurring leaves than the employee's regular position. Use of intermittent or reduced schedule leave is measured in increments of one hour.
 - iii. Qualifying Exigency Leave may also be taken on an intermittent basis.
- c. **Restoration Rights**
- i. **In General**
At the end of a Family and Medical Leave, an employee will generally have the right to return to his or her last position before the leave or to an equivalent position with equivalent benefits, pay, accumulated seniority, retirement, fringe benefits, service credits and other terms and conditions of employment. In returning from any of these leaves, the employee will not lose any benefit rights, such as vacation, to the extent that those benefit rights accrued before the leave period. However, an employee returning from Family and Medical Leave will not acquire greater rights to a position than any other employee in the event positions are eliminated during his or her leave.
 - ii. **Extension of Leave**
In the event that a Family and Medical Leave is extended beyond a level totaling 12 weeks of leave over 12 months (or 26 weeks in the case of Military Caregiver Leave), the leave will become "personal leave" and the City will consider the possibility of restoration but will not guarantee restoration. The determinations regarding whether to grant an extension and to grant restoration after an extension will be made in the City's sole discretion after considering factors such as the purpose of the leave extension, the employee's length of service, the employee's overall employment record, the employee's position, and the City's assessment of its needs. For details on the duration of and procedures associated with personal leave, see the "Leaves of Absence Without Pay" section of this manual.
 - iii. **Certification Before Return**
Before an employee may return from an Employee Illness Leave that has continued at least 90 calendar days, the employee's health care provider may be required to certify that the employee is able to resume his or her job. The cost of the certification shall be borne by the employee and the employee is not entitled to be paid for the time or travel costs spent in acquiring the certification.

VIII. PAY AND BENEFITS:

a. Pay

- i. Family and Medical Leaves shall be recorded on time sheets as it is taken. Family and Medical Leaves are not paid leaves. However, an employee may substitute a paid leave for which the employee is eligible for an otherwise unpaid leave. Such a substitution will be counted against the employee's use of leave. The leave will remain subject to all protections that would apply if the leave was taken on an unpaid basis. For example, if the Family and Medical Leave is paid leave from accrued vacation or sick leave, it shall be recorded as both on the time sheet and deducted from both. Family and Medical Leave will run concurrently with vacation or sick leave and time off for worker's compensation injuries. Employees who seek paid leave will need to meet the notice and qualification requirements under the paid leave policy.
- ii. If no other paid leave is available but an employee is eligible for accrued paid leave such as vacation pay or paid personal days, the employee will be required to use that accrued leave during a leave under this policy until that leave is exhausted.

b. Maintenance of Health Benefits

- i. During a Family and Medical Leave, the City will continue the employee's health insurance coverage, provided that the employee pays for the regular employee share of such coverage on a timely basis as if he or she had remained actively employed. During any paid leave, the employee share of the premiums will be deducted from the employee's pay. During the unpaid portion of a Family and Medical Leave, the employee will be required to pay the employee's share by delivering the payment so that it is received by the City no later than the established date as determined by Finance.
- ii. If the employee fails to return from the leave, the City may be entitled to recover from the employee the portions of the health insurance premiums that were paid by the City with respect to the unpaid leave. The City will be entitled to recover these amounts unless the employee's failure to return was due to a serious health condition (within the meaning of the FMLA) or if there are other circumstances beyond the employee's control. If the employee states that he or she is unable to return from the leave because of a serious health condition, the City may require the employee to provide a medical certification.

IX. MEDICAL RECORDS:

 - ii. Discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or related to the FMLA.
- b. Enforcement

SECTION 60-12 CATASTROPHIC LEAVE

I. PURPOSE:

To establish a consistent policy with regard to the procedures for administering Catastrophic Leave.

II. STATEMENT OF POLICY:

This policy applies to all employees hired by the City of Lemoore.

The following procedures should be followed in the administration of Catastrophic Leave.

- a. Catastrophic leave benefits have been established for City employees who have exhausted all accumulated vacation, sick leave and compensatory time off. The purpose of this benefit is to provide a portion or all of the employee's pay during the time the employee would otherwise be on medical leave of absence without pay pursuant to the City's Personnel Rules. Catastrophic leave benefits are contingent on the receipt of donated time in the manner described below.
- b. Catastrophic leave shall conform to the guidelines for leave of absence without pay set forth in the City's Personnel Rules except that, during the portion of the leave of absence that is also catastrophic leave, the employee will be paid. Although employees on catastrophic leave will receive catastrophic pay, for all other purposes, except as indicated below, such employees will be considered on leave of absence without pay pursuant to the City's Personnel Rules and they shall not accrue any leave rights while on catastrophic leave.
- c. In no event, may an employee take more than six (6) months of catastrophic leave during any twelve (12) month period. To calculate the remaining leave entitlement, the balance shall be any balance of the six (6) months that has not been used during the immediately preceding 12 months.
- d. Catastrophic leave and leaves of absence without pay shall run concurrently.
- e. An employee is eligible for catastrophic leave when the employee faces injury, prolonged illness (based on documented medical evidence), or death of the employee or a family member which will result in the employee being absent from work. Family members include the employee's spouse, parent, child, foster child, or other family member approved by the City Manager.
- f. Catastrophic leave requests are not accepted, or considered, for pregnancy related leave. Any event during pregnancy or birth that has resulted in a significant medical condition or illness may be considered.
- g. Any City employee may donate vacation and/or compensatory time to any covered employee who meets the conditions described above. Employee may not donate sick leave, holiday, floating holiday, or any other leaves.
- h. Employees (or their designees) requesting establishment of a catastrophic leave bank must submit a written request to Human Resources. The request must provide sufficient information to enable the City Manager, or designee, to determine whether the reason for

the leave qualifies as catastrophic. This information will be maintained confidentially to the extent required by law. Catastrophic leave requests for injury/illness must include supporting medical verification from a licensed physician. Leave requests must include the estimated date of return to work.

- i. Catastrophic leave may be considered for an employee who has not exhausted all of his or her personal sick leave due to the Family Sick Leave policy (cap of 48 hours per fiscal year). In the event that the City Manager authorizes catastrophic leave based on the information provided by the employee, the employee will be allowed to use remaining sick leave balances during the approved catastrophic leave period. No request for leave hour donations will be requested from other employees, until such time that leave balances of the requesting employee have been exhausted.
- j. Human Resources will canvass employees for leave donations and donations are voluntary.
- k. Donations must be made on the City-approved authorization form submitted to Human Resources to be deducted in the order received. All donations are irrevocable. Donations are taxable on the part of the recipient, in accordance with IRS regulations, and are subject to withholding as required by law.
- l. Donations must be a minimum of two (2) hours. The donated hours will be allocated to the requesting employee on an hour for hour basis.
- m. Health insurance coverage and retirement contributions will continue in the same manner as if the recipient employee was on sick leave. The recipient employee will not accrue sick leave or vacation benefits while using catastrophic leave.

If an employee fails to report such an instance, he/she is subject to disciplinary action, including demotion or termination. An employee who fails to immediately report such revocation or suspension to his/her supervisor and continues to operate a City vehicle shall be subject to possible termination.

II. STATEMENT OF POLICY:

- a. Employees are required to use City vehicles instead of their own for official City business whenever possible.
- b. Personal vehicles may be used for official City business with the prior approval of the employee's department head. Employees using their personal vehicles will be reimbursed for mileage at the rate established by the Internal Revenue Service (IRS).
- c. All employees whose duties require the operation of a City-owned motor vehicle or who operate a privately-owned vehicle while conducting official business as a part of their employment with the City, must possess a valid State Driver's License and a safe driving record.
- d. Prior to acceptance for employment with the City in a position that would necessitate the operation of a motor vehicle in the course of performing the assigned duties of that position, an employee's motor vehicle operators record may be requested from the California Department of Motor Vehicles by Human Resources. If records indicate three or more moving violations within three years of the date of review, the employee may be denied authorization to operate a vehicle while representing the City. If the employment is dependent upon the ability to operate a vehicle, the prospective employee may be denied employment.
- i. Employees operating City-owned motor vehicles or privately-owned vehicles while conducting official business shall observe all traffic laws, rules and regulations, and the dictates of common sense and good judgment.

Employees who do not maintain minimum liability coverage will not operate privately-owned vehicles in an official capacity.

SECTION 70-5 EARLY RETURN-TO-WORK (ERTW) PROGRAM

I. PURPOSE:

To establish a policy and procedure whereby an employee who is disabled due to injury or illness or who is otherwise unable to work for a medical reason and who needs reasonable accommodation to perform the essential functions of the position may return to work as soon as medically appropriate to a temporary position with modified work duties. The objective of the ERTW Program is to return the employee to productive work as soon as feasible in accordance with the Americans with Disabilities Act (ADA) and Fair Employment and Housing Act (FEHA).

II. STATEMENT OF POLICY:

- a. The cornerstone of the ERTW Program is prompt and interactive communication with the employee and the employee's physician to explore potential reasonable accommodations that could be made to enable the employee to return to work. The purpose of communication with the physician is to inform the physician about the job demands of the employee's usual and customary assignment and to obtain information concerning the employee's work limitations. Consistent with its obligations under the ADA and FEHA, if an employee has a known disability, the City will explore reasonable accommodations to enable the employee to return to work, including but not limited to transitional or alternate work assignments. The City has set up these guidelines for supervisory personnel to follow when a position may be temporarily modified to accommodate the injured employee's work limitations, thereby allowing him or her to return to work at the earliest, medically appropriate date.

III. TRANSITIONAL OR ALTERNATE ASSIGNMENT:

When an employee has a known disability and his/her work limitations are not compatible with the job demands of the employee's current assignment, Human Resources and/or designee, the employee, and the employee's supervisor working in conjunction with the employee's physician may explore providing the employee a temporary transitional or alternate assignment consistent with the employee's work limitations. Temporary transitional or alternate assignments are temporary in nature, and do not create an entitlement to such an assignment. The decision to offer such an assignment is in the discretion of the City in accordance with its obligations under the ADA and FEHA. At no time will an employee be assigned to perform work that may pose a safety and/or health risk to themselves or others.

- a. Transitional assignments may include but are not limited to including one or more of the following characteristics:
 - i. Limited physical ability requirements;
 - ii. Can be taught to the employee quickly;
 - iii. May be subject to a flexible work schedule, including but not limited to shortened workdays or reducing the number of hours;
 - iv. Will minimize exposure of the worker to further injury and will not slow down the

- worker's recovery time.
- v. Modifying the employee's current tasks to allow the employee to perform some or all of the current tasks in a manner that is consistent with the employee's work limitations.
 - vi. Assigning additional tasks to the employee, if appropriate, and if consistent with the employee's work limitations.

Alternate assignments are assignments to vacant positions when operationally feasible with tasks that the employee is able to perform consistent with the employee's work limitations.

IV. PROCEDURES:

- a. Human Resources, and/or designee, shall communicate with the employee or employee's physician to obtain medical certification releasing the employee to return to work, whether with or without work limitations. The employee must provide Human Resources and/or designee with a copy of medical certification releasing the employee to return to work before the employee is permitted to return to work. Such medical certification shall detail any and all work limitations, the estimated duration of the employee's work limitations, and an estimated return to work date. Human Resources and/or designee may communicate with the employee's physician to obtain additional information concerning the employee's work limitations, duration of the work limitations, and return to work date.
- b. Upon receipt of the physician's recommendation, Human Resources and/or designee shall engage in prompt interactive communication with the employee and/or the employee's supervisor to explore reasonable accommodations to enable the employee to return to work, if medically appropriate, including the offering of a transitional or alternate assignment to the employee.
- c. If it is determined that a transition or alternate assignment is appropriate, the job duties of the transitional or alternate assignment shall be reviewed with the employee. The employee shall have the opportunity to suggest modifications to the job duties to accommodate the employee's work limitations. Job duties may be modified when appropriate or in a manner consistent with the City's operational needs and the employee's work limitations.
- d. Transitional or alternate assignments are temporary. Transitional or alternate assignments may be discontinued when the employee is released by his/her physician to return to the previous assignment, without work limitations or with reasonable accommodation for work limitations; the employee is determined to have reached maximum medical improvement or be permanent and stationary; the transitional or alternate assignment is longer consistent with the City's operational needs; the employee separate from City employment; or for any other reason permitted under law.
 - i. Transitional employment is temporary and must have a designated start date and end date set at the time of the employee's return to work.
 - ii. The end date may be extended if the employee requires additional time to recover, or the employee may be assigned to other transitional duties with a specific start and end date.

- iii. Transitional or alternate assignments will normally not exceed a term of forty-five (45) calendar days. Temporary or alternate assignments may be extended based upon re-evaluation of the employee's work limitations and if extension is determined to be appropriate under the circumstances. There may be instances where it may be appropriate for the employee to be placed off work (e.g., if the employee is totally temporarily disabled or needs additional time to recover while off work). An employee may be placed off work based upon an evaluation of the employee's work limitations, taking into account the City's operational needs and its obligations under the ADA and FEHA.
- e. The employee is responsible for communicating any change in assignment to the Worker's Compensation Claims Adjuster so any adjustment to benefits may be made. This adjustment occurs whether or not the employee accepts the transitional or alternate assignment offered.
- f. The City will notify the Claims Adjuster when the employee accepts or refuses an offer of a transitional or alternate assignment for the purpose of calculating benefits adjustments.
- g. **If the injured employee refuses an offer of transitional or alternative employment, it is possible that the employee may lose benefits paid by Worker's Compensation.**
- h. Department heads and Supervisors are key players in promoting safety at work, encouraging workers to return to their jobs, keeping costs associated with accidents and work-related illnesses low, and managing the work so productivity is not lost while an employee is temporarily disabled or in a transitional or alternate assignment.
- i. This policy is not intended to affect an employee's rights under the ADA or FEHA or to in any way limit an employee's rights under the law (e.g., rights under the Family Medical Leave Act, California Family Rights Act, etc.).
