

My name is Jim Chaney, I have lived in Lemoore for 50 years. I came to Lemoore when my father was stationed at Lemoore NAS with the United States Navy. I graduated from Lemoore High and studied at West Hills College, College of the Sequoias, And ultimately CSU Long Beach where I graduated the Spervisor Leadership Program. I worked as a Police Officer, Corporal, and Sergeant for the Lemoore P.D.,before retiring in May, 2019. I've served this community as an Investigator in the Investigations Division and the Narcotic Task Force in a California Department of Justice Task Force. I served as V.P. of the PAL Program, an Executive Board Member of the Lemoore Police Officers Association, was a Parks and Recreation Commissioner, a member of the Lemore Lions Club and the Lemoore Kiwanis Club. Lemoore is my home and I want to continue my public service to the citizens of Lemoore as a Lemoore City Council member. I would be honored by your vote and I commit to an honest effort of representing your interest free of any hidden agendas or motives. I have no desires of personal gain or retribution towards anyone. Thank you and God bless you Lemoore.
