

Name: Mary “Janie” Venegas

Occupation: Municipal Government Employee

I’m running for Lemoore City Council – District B to give back to the community that I have been living in for the past 20 years. The Navy brought my family to Lemoore but we stayed because we love the community. I have volunteered countless hours to the community and City Council would be another way for me to give back.

As a longtime city employee, I had the privilege to work in several departments within the city. I gained valuable knowledge, insight, and was privy to the inner workings of Lemoore city government. I want to put my knowledge and insight to work for the citizens of Lemoore.

Being a strong Latina female, I bring a unique viewpoint to city government and will strive to create a diverse environment that reflects our city’s demographic, something that is insufficient in our city government history.

I strongly support small businesses, public safety and transparency. Transparency has been lacking for quite some time and I want to assist in bringing it back. I am not afraid to ask the tough and sometimes uncomfortable questions to ensure fiscal responsibility and transparency.
