

3/2/2021
City Council Meeting

**Handouts received after
agenda posted**

Thomas Reed
1060 Par Avenue, Lemoore
817-7234

Mayor Lyons, Council Members, City Manager:

It has been many months, with one short exception, that members of the public have not been able to attend Council Meetings in person.

I know that you are under direction from other governmental agencies to hold the meetings with no more than 10 persons present, under threat of possibly losing funds related to the so-called pandemic.

While meetings have been available online, it is not the same as having the public being able to stand before the Council for public comment or on a particular agenda item. As I have rendered comments to be read before the Council more than once, we have a facility next door that would adequately enable proper spacing.

There comes a time, however, that we, “**you**”, must say enough, enough, enough!

We will permit members of the public to attend Council Meetings in person, funding notwithstanding.

Thomas R. Reed

Lemoore City Council,

Naval Air Station Lemoore (NASL) submits the following comments for the March 2, 2021, Lemoore City Council meeting, agenda item, 3-2. Consent Calendar: Approval – Resolution 2021-04 –Adopting an Addendum to Mitigated Negative Declaration for Lennar Homes Tract 848. NASL is concerned that the proposed action will support incompatible development underneath a preexisting low level flight corridor and propose the item be removed from the consent calendar and be considered individually.

Thank you for the opportunity to comment on the proposed addendum. NASL request that receipt of this email be sent to Cynthia Echavarria Baruch, Asset Management Branch Head NASL via email at cynthia.baruch@navy.mil.

Please contact me if you have any question.
