SECTION 10-2 EQUAL EMPLOYMENT OPPORTUNITY (EEO)/ AMERICANS WITH DISABILITIES ACT (ADA)

I. PURPOSE:

The City of Lemoore is an equal opportunity employer. II. STATEMENT OF POLICY:

The City of Lemoore ensures equal employment opportunity regardless of race, religion, color, creed, national origin, sex, sexual orientation, marital status, veteran/military status, political belief, age, or mental/physical disability, (as defined by the ADA), unless such disability effectively prevents the performance of the essential duties required of the position and which are bona fide occupational qualifications that cannot be accommodated without undue hardship to the City of Lemoore.

III. Applicants and employees shall not be discriminated based on genetic information in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment and the City of Lemoore will not acquire genetic information.

 - c. Except as otherwise provided by CBA, the normal workday shall be either 8, 9 or 10 hours, as established by the City Manager, or designee. It may be necessary for some departments to have 24-hour coverage in the unit, making it necessary to schedule longer shifts.
 - d. Employees are entitled to a lunch period of one-half to one hour, which may be either paid, or unpaid, when allowed by law. Depending on the nature of the job, some lunch periods may be scheduled to allow for continuous staffing of offices. Employees are entitled to a paid fifteen-minute break period for each ½ shift worked; one in the morning and one in the afternoon. Meal and break periods are not to be combined.
 - e. Employees are expected to be at their work locations and ready to begin work at the beginning of their work schedule. It may be necessary for some departments to have 24-hour coverage in the unit, making it necessary to schedule longer shifts.
 - f. Department heads will establish days and hours, with exception for the preceding, for each employee under his/her supervision with the approval of the City Manager.
 - g. The standardization of working hours is necessary to provide:
 - i. Continuity in access by and service to the resident's citizenry.

- VIII. Hours for part-time and certain employees may vary from the normal office hours noted above due to the nature of their duties and will be determined by the appropriate department head, with concurrence of the City Manager.

SECTION 20-3 OVERTIME/COMPENSATORY TIME

I. PURPOSE:

To provide for overtime/compensatory time compensation for employees working in excess of forty hours per week.

II. POLICY:

- a. Only employees considered "non-exempt" by the Fair Labor Standards Act ("FLSA") are paid 1-1/2 times their "regular rate" for actual hours worked in excess of 40 hours in any workweek. Workweek begins at 12:00 a.m. on Monday and ends at 11:59 p.m. on Sunday.
- b. Overtime is based on actual hours worked and vacation leave hours. Time off for sick leave, compensation time, other leaves, or leave of absence will not be considered hours worked for the purposes of overtime calculations.
 - i. All overtime must receive prior approval from the supervisor. Employees who continually work overtime without receiving prior authorization from their Department Head may be subject to disciplinary action, up to and including termination.
 - ii. If a "non-exempt" employee desires compensatory time instead of overtime pay, he/she must request it in writing on their time card.
 - iii. Supervisors must not accept voluntary overtime from "non-exempt" employees without paying overtime or granting compensatory time. In other words, if a supervisor is aware that a "non-exempt" employee is voluntarily working overtime, the supervisor must direct the employee to stop working or be willing to authorize the overtime.
 - iv. A "non-exempt" employee who is requested to work over 40 hours in a week must be paid 1-1/2 times his/her regular rate, unless otherwise specified in a CBA. Compensatory time will be allowed at the rate of 1-1/2 hours for each hour worked. The CBA will be followed for union employees working on Sundays, etc.
 - v. All records of compensatory time worked, compensatory time taken and overtime worked by "non-exempt" employees must be included on the timecard for the period the hours were worked or taken off.
 - vi. Compensatory time may be accrued or taken at the discretion of the City. Employees may accumulate up to 90 hours of compensatory time, unless otherwise specified in a CBA.

- vii. Supervisors may require that compensatory time be taken at a time so as not to disrupt the operation of the unit. Supervisors may require employees to take overtime in lieu of compensatory when over the maximum hours. Compensatory time will be paid if a balance exists at the time an employee terminates or promotes, subject to the City Manager's approval.

III. LIMITATIONS:

- a. This policy shall not apply to employees whose CBA provides for a different work period.
- b. This policy does not apply to executive, professional, administrative, and all other employees who are exempt from the FLSA, unless otherwise provided by CBA.
- c. The Human Resources Department reviews what an employee does and compares the duties and responsibilities to the test provided by the FLSA and California Wage and Hour Laws.

IV. HOLIDAYS AND OVERTIME ON HOLIDAYS:

- a. Holiday Pay for Holiday Worked:
 - i. A holiday is defined as being any eight (8) hour period of scheduled work time identified by city policy. When an employee is ordered to work on a city-recognized holiday, he/she will be paid straight time for all the hours worked. In addition, straight time will be paid for eight hours to cover the normal day which has been identified as a holiday.
- b. Scheduled Holidays for Employees on Shifts Longer Than 8 Hours:
 - i. For those employees who are on a shift which is longer than eight hours, holiday time will only be paid for eight hours. The hours over eight are accounted for by either working or taking vacation leave.
- c. Part-time, Seasonal and Temporary employee's hours will be pro-rated.
- d. An employee will be allowed to take a holiday or another day if the holiday falls on an employee's regular day off. Scheduling of this day will be subject to the approval of their supervisor.
- e. Holiday Worked (Shifts Scheduled Over 8 Hours):
 - i. Employees who are scheduled to work on a city-recognized holiday and are assigned to a shift longer than 8 hours will be entitled to holiday pay of 8 hours, as set forth above. Thereafter it shall be at the rate of 1-1/2 times their regular rate for the remaining hours of the shift.

V. OVERTIME TRAVEL:

- a. Each overtime travel situation will be evaluated to determine if it is compensable.

Basically, if travel is considered "work" in the interpretation of the FLSA, it is compensable. Review the City's Trip and Travel Policy for frequently asked questions. Completion of the necessary form is required for reimbursement.

SECTION 20-4 NEPOTISM

I. PURPOSE:

To establish policy for the employment of immediate relatives in order to assure the reality and appearance of fairness in the best interest of the City.

II. STATEMENT OF POLICY:

Relatives and significant others shall not maintain a regular reporting relationship to one another in the direct chain of departmental command. If such a relationship is created, one of the parties must elect to transfer to or be selected for a vacant position for which they are qualified where there is no chain of command reporting relationship. As an alternative, the parties may elect to discontinue the relationship, or one or both parties may elect to resign or retire. Failure to discontinue the relationship, resign, retire, transfer to, or be selected for another position within 90 days shall result in separation of the supervisory employee from service.

It shall be the responsibility of the supervisory employee to immediately notify his or her Department Director and the Human Resources Director of any such relationships. Where organizational necessity (department size, etc.) makes it unreasonable to enforce this Nepotism provision, the City Manager may waive the Nepotism requirement with a written statement justifying the waiver.

III. DEFINITIONS:

- a. "Relatives" for the purpose of this section shall include a parent, spouse, child, grandparent, brother or sister, whether related by blood or marriage.

II. STATEMENT OF POLICY:

- a. All newly hired employees must serve a period of initial probation. All employees serve an initial probation of one (1) year.

- b. The initial probation period is designed to give the employee time to learn the position and to give the supervisor time to evaluate the employee's potential and performance.
- c. Probationary employees will be formally evaluated at six (6) months and twelve (12) months of employment. An employee is only eligible for a merit increase upon successful completion of the initial probationary period, at one (1) year, and at such time they are considered regular employee. No merit increase is provided at the six (6) month evaluation. All merit increases are subject to City Manager approval.
- d. At the end of the initial probation period, the employee is formally evaluated and provided written documentation of progress. Other evaluations, as noted above, will be conducted during the course of the probation period to assess performance and to advise employees of expectations regarding performance. Significant job deficiency(ies) shall be documented in the employee's personnel file. These evaluations provide the necessary justification for retention of the person as a regular employee
- e. During the established initial probationary period, the City reserves the right to terminate the probationary employee's service with or without cause. Employees released from probation, with or without cause, do not have any rights established by the Personnel System Guidelines including, but not limited to, those established under Section 40-7.
- f. Rejected probationers shall be notified of such action in writing by the department head at any time during the initial probationary period and a copy of said notification shall be retained in the personnel files.
- g. Under unusual circumstances, the initial probationary period may be extended, but shall not exceed twelve (12) months. This is only after an evaluation of the situation, the employee's abilities, and demonstrated potential. Probation extension is done only upon recommendation of the Supervisor, Department Head, Human Resources and the City Manager.
- h. If the employee successfully completes the initial probation period, he/she shall be informed that he/she is now a regular employee. This will be accomplished by Human Resources with the approval of the appropriate department head via the Personnel Action Form.
- i. Employees who have successfully completed their initial probationary period and who are transferred, promoted/demoted to a new position must serve a minimum of thirty (30) days trial period in the new position. The length of this trial period, which will be established by the Director of the respective department with approval of the City Manager, will be based on the requirements/duties of the job.
- j. If a transferred, promoted or demoted employee, who is not on their initial probation, fails to achieve satisfactory performance in the new position during the trial period and their performance in the previous position was satisfactory; he or she may be allowed to return to the position of which they left, if a current vacancy exists. After the completion of the trial period the employee will be given priority for the first position opening similar to the one previously held if the employee's performance in the previous position was

satisfactory. If an employee had not performed satisfactorily in the previous position, termination from City employment will be considered.

- k. If an emergency arises during an employee's probationary period/trial period which requires a leave of absence, such time off, if granted will not be considered as time worked.

SECTION 20-6 RE-EMPLOYMENT

I. PURPOSE:

To establish a policy for re-employment.

II. STATEMENT OF POLICY:

- a. Any former regular employee who resigned from the City in good standing may be eligible for re-employment within one (1) year, upon approval of the City Manager, or designee.

- g. Applications will not be accepted unless a specific job posting exists.
- h. In-house candidates interested in applying for another position within the City should follow procedures as outlined in the policies on TRANSFERS or PROMOTIONS.
- i. Previous applicants, who were interviewed, considered, yet not offered that position with the City in the past six months (180 days) are placed on a position Eligibility List. If a new vacancy occurs in the same position, it may be offered without posting and re-advertising the position.

SECTION 40-6 REVOLVING DOOR RESTRICTIONS

I. STATEMENT OF POLICY:

- a. For a period of one year after leaving City employment or office, elected officials and the City Manager shall not act as an agent of or represent someone for compensation before the City for purposes of influencing: administrative or legislative action; any action or proceeding involving the issuance, amendment, awarding, or revocation of a permit, license, grant, or contract; or the sale or purchase of goods and property. This section shall be interpreted in a manner consistent with applicable law, as may be amended.

SECTION 40-7 DISCIPLINARY ACTION

I. PURPOSE:

To establish policies and procedures related to disciplinary action for City employees.

II. STATEMENT OF POLICY:

- a. It shall be the policy of the City to administer discipline fairly, reasonably, and impartially. Employees and the City are best served when discipline is administered to correct actions rather than to punish.

III. PROCEDURE:

- a. The tenure of City employees shall be based on reasonable standards of job performance and personal and professional conduct. Failure or refusal to meet these standards shall constitute just cause for non-disciplinary and disciplinary actions including oral or written reprimand, temporary reduction in pay, suspensions, demotions, and termination.
- b. Disciplinary action is not primarily intended to be punitive, but rather to maintain the efficiency and integrity of City service. The nature and severity of the offense and the

employee's prior record shall be considered.

- c. In any disciplinary action, the pertinent information shall be reviewed with the employee specifying the following: The cause for discipline, the specific reasons supporting the cause, the discipline to be imposed, the effective date, and the right of the employee to be heard.
- d. Employees may be disciplined for, but not limited to, areas detailed in the Policy on EMPLOYEE CONDUCT.
- e. The degree of discipline administered will depend on the severity of the infraction and shall be in accordance with any applicable CBA, regulations, and City policies and procedures as well as local, state or federal laws and regulations.
- f. It is the responsibility of each supervisor, department head, or designee to investigate and evaluate thoroughly the circumstances and facts as objectively as possible and apply the most suitable form of discipline.
- g. If, after an initial review of the allegations by a supervisor or department head, it is determined that further review is warranted, employees being investigated should be notified in writing of any allegations/infractions against them and that an investigation will be taking place.
- h. Supervisor or department heads are to conduct thorough investigation for all allegations warranting an investigation. Human Resources will provide assistance to the supervisor or department head with regard to employee notices, and scheduling investigative meetings.
- i. Upon completion of the investigation the supervisor or department head will issue a Notice of Intent to Discipline to the employee indicating the cause for discipline, the specific reasons supporting the cause, the discipline to be imposed, the effective date, and the right of the employee to be heard.
- j. Under normal circumstances, the Notice of Intent to Discipline will be issued within a reasonable time after the occurrence of the violation claimed by the supervisor and normally should not exceed forty-five (45) days. This is to allow for sufficient time to conduct an adequate investigation of the incident, to hold the pre-disciplinary hearing and to permit consideration of disciplinary alternatives by appropriate managerial personnel.

IV. TYPES OF NON-DISCIPLINARY ACTION MAY INCLUDE:

- a. **Oral Reprimand** - This type of discipline should be applied to infractions of a relatively minor degree or in situations where the employee's performance needs to be discussed. The oral reprimand should be given in private and should inform the employee that the supervisor is issuing an oral reprimand, that the employee is being given an opportunity to correct the condition, and if the condition is not corrected, the person will be subject to more severe disciplinary action up to, and including, termination.
 - i. A record of discussion may be provided to the employee which may include the date,

and general content discussed, as well as any corrective actions to be taken by the employee.

- b. **Written Reprimand** - This notice will be issued in the event the employee continues to disregard an oral reprimand or if the infraction is severe enough to warrant a written reprimand in the employee's personnel file.
 - i. The reprimand shall state the nature of the infraction in detail and what corrective action must be taken by the employee to avoid further discipline.
 - ii. A copy of the written reprimand is to be handed to the employee at the time of the discussion of the discipline.
 - iii. The employee shall sign the written reprimand to acknowledge receipt. A copy, signed by the employee, will be placed in the employee's personnel file. If the employee refuses to sign the acknowledgment, then the supervisor and one other witness shall note on the reprimand that the employee received a copy thereof and refused to sign it.

V. TYPES OF DISCIPLINARY ACTION MAY INCLUDE:

- a. **Suspension** - This form of discipline is administered as a result of a significant infraction of policies or for repeated violation. For minor infractions, a suspension is often given after the employee has received a written reprimand.
 - i. **Suspension Without Pay** - An employee will be suspended without pay when the offense is of a serious enough nature usually sufficient for discharge, but when circumstances related to an employee's overall performance would not warrant immediate discharge. The length of suspension should not normally exceed fifteen (15) work days.
 - ii. **Suspension with Pay** - At the discretion of the City Manager or his/her designee, an employee of the City may be suspended with pay and benefits pending investigation of allegations of misconduct, when the nature of the allegation compromises the ability of the employee to perform his/her duties, and when a substantial period of time will be required to complete an investigation or legal action. **Such a suspension is not a disciplinary action.**
- b. **Temporary Reduction in Pay** – This form of discipline is typically administered as a result of a significant infraction of policies or for repeated violations. It may also be used after an employee has received suspension with or without pay which did not result in corrective behaviors.
 - i. Temporary reductions in pay shall not exceed a 5% of the employee's base pay or continue for longer than six (6) consecutive months.
- c. **Demotion** - Demotion may be used when continued infractions occur and warrant removal from current duties as a result of progressive disciplinary action, or when an initial policy violation is significant enough to remove an individual from their current position. It may also be used in those instances where an employee has been promoted to

a position where he/she is unwilling or unable to perform the responsibilities of that position. Demotion is not to be used as a substitute for termination, when termination is warranted.

- d. **Termination** - Immediate removal of an employee from the job site pending review for termination may be warranted in instances involving significant misconduct, theft, serious illegal or destructive acts while on the job, or other substantial reasons deemed appropriate by the City Manager. An employee may also be discharged after repeated offenses of a less serious nature, including poor work performance, if the offenses have been documented by the supervisor.
 - i. **Probationary employees** - on their initial probation may be terminated at any time without cause and without the right of appeal for violations of policy or any laws. Notification of termination in writing shall be provided the probationary employee and a copy filed in his/her personnel file. Termination of probationary employees also require the concurrence of the City Manager.
- VI. The Notice of Intent to Discipline is to be signed by the employee and placed in the employee's personnel file with a copy given to the employee.
- VII. In those instances where employees are covered by a CBA, the CBA provisions shall govern disciplinary action, if included in the CBA. In all other cases, this policy and procedure shall apply.
- VIII. **Pre-disciplinary Hearing - Standards/Notice of Discipline.** Human Resources, and/or designee, shall provide and arrange for a pre-disciplinary hearing prior to the suspension without pay, temporary reduction in pay, demotion, or termination of any employee. This shall occur after the issuance of a Notice of Intent to Discipline.
- a. An employee shall be provided, in writing, with a Notice of Intent to Discipline, including an explanation of the department's evidence, the intended disciplinary action, and the date discipline shall commence. The employee shall be given an opportunity to respond to the charges, orally or in writing, as to why the proposed action should not be taken.
 - i. Responses in writing shall be received by Human Resources no later than five (5) calendar days following the issuance of a Notice of Intent to Discipline.
 - ii. Human Resources shall make every attempt to schedule pre-disciplinary hearings within fourteen calendar (14) days of the issuance of the Notice of Intent to Discipline.
 - b. The employee may have legal counsel or union representation present at a pre-disciplinary hearing.
 - c. A hearing officer will be assigned by Human Resources. A hearing officer shall be someone other than the individual recommending discipline.
 - d. The department's explanation of the evidence at the pre-disciplinary hearing shall be

sufficient to apprise the employee of the basis for the proposed action. The hearing officer shall be provided all document/facts related to the Notice of Intent to Discipline.

- e. The hearing officer shall provide a written report to the supervisor or department head outlining their disciplinary recommendations. The report shall be provided no later than fourteen (14) calendar days following the pre-disciplinary hearing.
- f. Following receipt of the hearing officer's recommendation, the supervisor or department head shall review the information and determine if the original discipline, or modified discipline as recommended by the hearing officer, shall stand. In no case, shall the discipline be more severe that was originally noticed to the employee.
- g. Notice of Discipline shall be issued to the employee no later than ten (10) calendar days following receipt of hearing officer report by the supervisor or department head. The Notice of Discipline shall include the disciplinary action, grounds for discipline (policy violations), date and duration of discipline and any other relevant facts regarding discipline to be rendered.
- h. Following receipt of the Notice of Discipline, the employee may appeal the decision to the City Manager within fifteen (15) calendar days. The City Manager shall be provided copies of the investigative report, personnel file, Notice of Intent to Discipline, written response of employee, copy of hearing officer report (if one exists) and the Notice of Discipline. The City Manager shall review the information and make a determination on whether or not the discipline shall occur as issued, be modified, or shall be rescinded.
- i. The decision of the City Manager is final. If the City Manager is the department head that initiated discipline and issued the Notice of Discipline, the appeal shall be heard by the Assistant City Manager, or another designee.

- e. Use of the City's Grievance Process shall not be used to grieve issues related to discipline, as outlined in Section 40-7.

III. PROCEDURE:

- a. An aggrieved employee is encouraged to first seek resolution with his/her immediate supervisor or a first line manager consistent with the goal of resolving disputes at the lowest possible level in the organization. If the problem originates with the supervisor, then the employee will have the option of bypassing this step and filing an informal or, if necessary, formal grievance as outlined below.
- b. Step 1: An Employee must present a grievance within ten (10) working days of its alleged occurrence to the employee's immediate supervisor and department head, who shall attempt to resolve it within ten (10) working days after it is presented to him/her.

Forty-eight hours (48) prior to the grievance meeting, the employee shall inform the immediate supervisor, Department Director, or City Manager whether he or she shall be represented at the grievance meeting and shall identify the representative.
- f. Any time limit or stage of procedure in this process may be waived for good cause and with the consent of both parties.
- g. A grievant may withdraw any grievance at any time, without prejudice, by giving written

notice to the Lemoore representative who last took action on the grievance, and by providing a copy of the notice to Human Resources.

II STATEMENT OF POLICY:

- a. Employees of the City of Lemoore may deal with confidential information. It is imperative that employees maintain City of Lemoore integrity and not discuss City of Lemoore business with people who should not be privy to the information. In some circumstances, City of Lemoore business should be revealed to other City of Lemoore employees on a need-to-know basis. SECTION 40-14 DRUG FREE WORK PLACE

I. PURPOSE AND INTENT:

- a. The City has a vital interest in maintaining safe, healthful, and efficient working conditions for its employees. Being under the influence of a drug or alcohol on the job poses serious safety and health risks to the person under the influence, coworkers, and members of the public. The City has established guidelines intended to eliminate drug and alcohol abuse and the effects of such abuse in the workplace in accordance with applicable law. These guidelines apply to all City employees.
- b. Consistent with the federal Drug-Free Workplace Act, it is the City's policy that employees shall not possess, use, unlawfully manufacture, distribute, dispense, sell, or be under the influence of prohibited substances on the job. Prohibited substances include the following:

- iv. Legal Drugs, which shall include lawfully prescribed or which are non-prescription medications. While the appropriate use of legal drugs is not prohibited, an employee must immediately report to a supervisor about the use of any legal drug which adversely affects an employee's ability to perform their job safely and efficiently, the safety of other employees, the public or City facilities and operations.
 - v. If a supervisor reasonably suspects that an employee's use of a legal drug adversely affects the employee's ability to perform the job safely and efficiently, the safety of other employees, the public, or City facilities and operations, the supervisor may request that the employee obtain and provide a written release from a medical professional indicating that the employee can work safely and efficiently while taking the legal drug. The employee need not disclose the name or medical purpose of the drug.
 - vi. The City maintains the right to restrict an employee's work activities while the employee is using legal drugs and may require an employee using legal drugs to take a leave of absence while using legal drugs if a medical professional determines that the employee cannot work safely and efficiently while taking the legal drugs.
 - vii. In no event may an employee report to work if the employee is impaired by the use of the legal drugs to the point such impairment may endanger the safety of the employees or anyone else or the security of City facilities and operations.

Employees found to be in violation of this requirement are subject to disciplinary action, up to and including termination.
 - d. The City is committed to providing reasonable accommodation to employees whose drug or alcohol usage qualifies as a disability under state or federal law. Where appropriate, the employee may be referred to a substance abuse treatment program. The City encourages employees who believe that they may have a drug or alcohol usage problem to voluntarily seek confidential assistance from the Employee Assistance Program or their primary treatment professional. While it is the City's policy to be supportive of those who seek help, it is also the City's policy that abuse of alcohol or drugs will not be tolerated and disciplinary action, up to and including termination, may be taken to assure a drug and alcohol free workplace. Nothing in this policy shall be construed to prohibit the City from its responsibility to maintain a safe and secure work environment for its employees. The City may, at its sole discretion, invoke disciplinary actions as appropriate for employee misconduct related to the use or abuse of alcohol or drugs or both.
 - e. Supervisors who have reasonable suspicion that an employee is under the influence of a prohibited substance or has illegal drugs in his/her possession or stored in City property shall document the facts constituting reasonable suspicion in writing. "Reasonable

suspicion” is a belief based on objective facts sufficient to lead a reasonable person to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or that the employee's ability to perform his/her job safely is reduced. For example, any of the following, alone or in combination, may constitute reasonable suspicion:

In the event this person is not available, the supervisor shall promptly notify Human Resources of his/her concern.
- b. Head, or by Human Resources, who shall be trained in detecting indicators of probable drug and/or alcohol influence and intoxication as required by law.

- c. Upon review, the department head or designee or Human Resources may direct an employee to submit to a drug and/or alcohol test or may authorize a supervisor to direct the employee to undergo such testing. Prior to an employee being directed to undergo drug and/or alcohol testing, it shall be verified that facts constituting reasonable suspicion are documented in writing prepared by a supervisor, Department Head or designee, or Human Resources. In the event that extenuating circumstances prevent such documentation prior to the employee undergoing drug and/or alcohol testing, documentation shall be completed as soon as possible but no later than twenty-four (24) hours after the test. The documentation shall also specify the extenuating circumstances.

- e. Employees shall be placed on administrative leave pending test results.

IV. RETURN TO DUTY TESTING:

- a. Before returning to duty after either testing positive on a drug or alcohol test or refusing to take a test when previously directed, an employee must: (1) test negative for drugs and/or have a blood alcohol content below 0.02 and (2) be evaluated and released by a Substance Abuse Professional before returning to duty.
- b. For a first-time positive drug test, a Return-to-Duty drug test is required and an alcohol test is optional, at the sole discretion of the City. For a first-time positive alcohol test, a Return-to-Duty alcohol test is required and a drug test is optional, at the sole discretion of the City. Employees may be referred to the EAP program or to other substance abuse counseling as part of their return to duty requirements.

V. FOLLOW UP TESTING:

- a. Employees who have returned to work following their Return-to-Duty test will be required to undergo random and unannounced follow-up drug and/or alcohol testing. The follow up testing will be performed for a period of one to five years, with a minimum of six tests to be performed the first year, unless otherwise determined by a Substance Abuse Professional. The frequency and duration of follow-up tests will be determined by the Substance Abuse Professional reflecting his/her assessment of the employee. Follow-up testing should be performed frequently enough to deter and/or detect a relapse. Follow-up testing is separate from and in addition to the reasonable suspicion, return-to-duty testing, random, and post-accident testing described herein. Employees shall be responsible for the cost of follow-up testing and the service provider shall invoice the employee directly.

VI. DRUG AND/OR ALCOHOL TESTING REQUIREMENTS:

- a. The City shall ensure that drug and/or alcohol testing is performed in accordance with all applicable laws, including but not limited to 49 Code of Federal Regulations.

- b. The City shall ensure that an employee ordered to submit to a drug and/or alcohol test is promptly transported to a collection site for the collection of urine and/or breath sample. Drug and/or alcohol tests shall be administered under approved conditions and procedures to ensure the integrity of the testing. The subject will be interviewed by laboratory personnel prior to sample collection to determine whether he/she is currently using prescribed drugs and/or taking over-the-counter medications which might reasonably impact testing.
- c. Testing shall be conducted solely for the purpose of detecting use of drugs and/or alcohol. With the exception of required follow-up testing or where such testing is a condition of an employee's return to duty, the City shall pay for the administration of drug and/or alcohol tests.

VII. RESULTS OF DRUG AND/OR ALCOHOL TESTS:

- a. Any subject providing false information about a urine or breath specimen or who attempts to contaminate such sample shall be subject to disciplinary action, up to and including termination or removal from consideration from hiring.
- b. - c. The cost of any treatment or rehabilitation services shall be paid by the employee or the employee's insurance provider subject to coverage limitations. An employee shall be permitted to take accrued sick leave to participate in the Substance Abuse Professional prescribed treatment program. If an employee has no accrued sick leave, time off to participate in the treatment program may be charged to other leave balances (e.g., vacation or compensatory time off). If the employee has insufficient accrued leave, the employee shall be placed on leave without pay until the Substance Abuse Professional has determined that the employee has completed the required treatment program and releases the employee to return-to-duty. Leave taken may be considered leave under FMLA/CFRA if the employee qualifies for FMLA/CFRA.
- d. An employee, who, after failing a drug and/or alcohol analysis test, fails or refuses to participate in the treatment program prescribed by the Substance Abuse Professional, shall be considered insubordinate and may be subject to disciplinary action, up to and including termination. An employee with a positive test result or an employee who refuses to undergo testing may be subject to disciplinary action, up to and including termination. Lab personnel will review the medical history made available by the subject when a confirmed positive test could have resulted from a legally prescribed or over-the-counter medication.
- e. In the event of a positive test, Human Resources and the Department Head shall be notified. A copy of the results shall be provided to the employee. A copy of the positive test results shall be placed in a confidential and secured folder and kept separate from the employee's personnel file.
- f. A drug test with the results of a "Negative Dilute" shall be retested. Refusal to submit to a

retest when directed shall be considered a positive test result and insubordination and is grounds for discipline, up to and including termination.

- g. An employee who has a verified negative drug and/or alcohol test shall be provided with notice of these findings. A copy of this notice shall be placed in a confidential and secured folder and kept separate from the employee's personnel file. Depending on the circumstances and if appropriate, a medical release may be required before the employee is permitted to return to work.

VIII. RECORDKEEPING:

- a. The City shall ensure that all records related to its drug and/or alcohol misuse program and records related to the administration of drug and/or alcohol testing are maintained in a secure location in accordance with the law, including but not limited to 49 C.F.R. § 655.71. The City shall maintain such records for a minimum of five years, or as otherwise required under law.

- i. Confidentiality

- All drug and/or alcohol test results shall be kept confidential and shall not be subject to disclosure except as provided herein or as otherwise required under law.

SECTION 60-10 FAMILY AND MEDICAL LEAVE

I. PURPOSE:

- a. This policy outlines the basic procedures governing Family and Medical Leave. Family and Medical leaves are unpaid, job-protected leaves of absence by employees for child care, personal medical care, family medical care and certain other circumstances.
- b. This policy is intended to implement the Federal Family and Medical Leave Act (“FMLA”), as amended which became effective January 16, 2009. It is intended to be interpreted and applied consistently with those laws.

II. STATEMENT OF POLICY:

- a. An employee will be eligible to seek a Family and Medical Leave if:
 - i. the employee has worked for the City for at least twelve (12) months; and,
 - ii. the employee has worked for the City for at least 1,250 hours during the 12 months;
 - iii. In certain circumstances, separate periods of employment are aggregated for purposes of meeting the 12-month requirement. Additionally, any time that the employee would have worked for the City but for his or her Armed Forces (including National Guard or Reserve) obligations is counted toward the 1,250 hour requirement for Family and Medical Leave.
 - iv. The employee and spouse, if both employed by the City, are each eligible for up to twelve (12) weeks FMLA leave to care for a covered service member with a serious injury or illness, and for the birth and care of a newborn child, for placement of a child for adoption or foster care, or to care for a parent who has a serious health condition.
 - 1. The FMLA defines a child (“son or daughter”) as a “biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing “in loco parentis”, who is— (A) under 18 years of age; or (B) 18 years of age or older and incapable of self-care because of a mental or physical disability.”
 - a. “In loco parentis” is commonly understood to refer to a person who has put himself in the situation of a lawful parent by assuming the obligations incident to the parental relation without going through the formalities necessary to legal adoption. The FMLA regulations further defines “in loco parentis” as including those with day-to-day responsibilities to care for and financially support a child.
 - 2. Individuals claiming in loco parentis may be required to submit in writing confirming this status with the child.

III. TYPES OF FAMILY AND MEDICAL LEAVES:

For purposes of this policy, the term “Family and Medical Leave” refers to the leaves of absence under the FMLA. Eligible employees may qualify for any of six types of Family and

Medical Leaves. Throughout this policy, the terms “Family and Medical Leave” and “FMLA Leave” refer to any of the following six types of leaves:

a. Pregnancy Leave

- i. An employee may take Pregnancy Leave due to incapacity due to pregnancy, prenatal medical care or child birth.
- ii. Pregnancy leave will run concurrently with FMLA leave.

b. Birth, Adoption and Child Care Leave

- i. An employee may take a Birth, Adoption and Child Care Leave to care for his or her child after birth, or for placement with the employee of a child for adoption or foster care. The leave must be completed within 12 months of the child’s birth, adoption or foster care placement.

c. Family Illness Leave

- i. An employee may take a Family Illness Leave to care for a seriously ill or injured spouse, parent or child.
- ii. The illness or injury must be a “serious health condition” within the meaning of the FMLA, a term which is defined below.
- iii. If the leave is for the care of a child, the child must either be under age 18 or be unable to care for himself or herself due to a mental or physical disability.

d. Employee Illness Leave

- i. An employee may take an Employee Illness Leave because of a serious health condition that makes the employee unable to perform his or her job.

e. Qualifying Exigency Leave

- i. An eligible employee is eligible for up to a total of 12 work weeks of unpaid leave during the normal 12-month period established by the City for FMLA leave for qualifying exigencies arising out of the fact that the employee’s spouse, son, daughter, or parent is on active duty, or has been notified of an impending call or order to active duty, in support of a contingency operation. Under the terms of the statute, qualifying exigency leave is available to a family member of a military member in the National Guard or Reserves; it does not extend to family members of military members in the Regular Armed Forces. Qualifying exigencies include:

1. Issue arising from a covered military member’s short notice deployment (i.e., deployment on seven or less days of notice) for a period of seven days from the date of notification;
2. Military events and related activities, such as official ceremonies, programs, or events sponsored by the military or family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross that are related to the active duty or call to active duty status of a covered military member;

3. Certain childcare and related activities arising from the active duty or call to active duty status of a covered military member, such as arranging for alternative childcare, providing childcare on a non-routine, urgent, immediate need basis, enrolling or transferring a child in a new school or day care facility, and attending certain meetings at a school or a day care facility if they are necessary due to circumstances arising from the active duty or call to active duty of the covered military member;
 4. Making or updating financial and legal arrangements to address a covered military member's absence;
 5. Attending counseling provided by someone other than a health care provider for oneself, the covered military member, or the child of the covered military member, the need for which arises from the active duty or call to active duty status of the covered military member;
 6. Taking up to five days of leave to spend time with a covered military member who is on short-term temporary, rest and recuperation leave during deployment;
 7. Attending to certain post-deployment activities, including attending arrival ceremonies, reintegration briefings and events, and other official ceremonies or programs sponsored by the military for a period of 90 days following the termination of the covered military member's active duty status, and addressing issues arising from the death of a covered military member;
 8. Any other event that the employee and employer agree is a qualifying exigency.
- ii. FMLA leave may be taken intermittently whenever medically necessary to care for a covered service member with a serious injury or illness. FMLA leave also may be taken intermittently for a qualifying exigency arising out of the active duty status or call to active duty of a covered military member. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer's operation.
- iii. Under certain conditions as noted below, employees or employers may choose to "substitute" (run concurrently) accrued paid leave (such as sick, comp, personal day or vacation leave) to cover some or all of the FMLA leave.
1. Upon the birth of a child to an eligible employee, or the placement of an adopted or foster child with an eligible employee, that employee is entitled to FMLA leave. The leave must be completed within one year of the birth or placement of the child. The leave shall be unpaid unless it qualifies under the sick leave policy or unless the employee elects to use accrued vacation leave, accrued comp time or their annual "personal holiday", for part or all of such leave.
 2. FMLA Leave which qualifies for sick leave shall be paid leave to the extent that the employee has accrued sick leave credits. When an employee has exhausted accrued sick leave, FMLA leave shall be unpaid leave, except that the employee may elect to use accrued vacation leave for part or all of the unpaid leave.
- f. Military Caregiver Leave
- i. An employee who is a spouse, son, daughter, parent, or next of kin of a covered

service member with a serious injury or illness up to a total of 26 workweeks of unpaid leave during a “single 12-month period” to care for the service member.

- ii. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness.
- iii. A serious injury or illness is one that was incurred by a service member in the line of duty on active duty that may render the service member medically unfit to perform the duties of his or her office, grade, rank, or rating.
- iv. The “single 12-month period” for leave to care for a covered service member with a serious injury or illness begins on the first day the employee takes leave for this reason and ends 12 months later, regardless of the 12 month period established by the employer for other types of FMLA leave. An eligible employee is limited to a **combined** total of 26 workweeks of leave for any FMLA-qualifying reason during the “single 12-month period.” (Only 12 of the 26 weeks total may be for a FMLA-qualifying reason other than to care for a covered service member.)

IV. SERIOUS HEALTH CONDITION:

- a. A “serious health condition” is an illness, injury impairment or physical or mental condition that involves either an overnight stay in a medical care facility or continuing treatment by a health care provider for a condition that either prevents the employee from performing the essential functions of the employee’s job or prevents the qualified family member from participating in school or other daily activities.
- b. Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity or more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

V. NOTICE AND SCHEDULING OF LEAVE AND RELATED EMPLOYEE RESPONSIBILITIES:

- a. Required Information
 - i. Employees who seek a Family and Medical Leave must provide sufficient information for Human Resources to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions; the family member is unable to perform daily activities, or the need for hospitalization or continuing treatment by a health care provider or circumstances supporting the need for a Qualifying Exigency Leave or a Military Caregiver Leave. Employees must also inform Human Resources if the requested leave is for a reason for which a Family and Medical Leave was previously taken or certified. Failure to provide sufficient information may result in denial of leave.
 - ii. Employees will also be required to provide a certification and periodic

recertification supporting the need for leave. Unless a longer period is specified, a medical certification or recertification must be completed and returned to the City within ten (10) days of the City's request. Moreover, employees on leave may be contacted periodically for updates concerning their status and intent to return. Employees are expected to be fully responsive to such requests for updates.

b. Advance Notice of Foreseeable Leave

Except as otherwise provided below, employees must provide 30 days' advance notice of the need to take a Family and Medical Leave with the need for the leave is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable.

c. Form of Notice of Foreseeable Leave

An employee requesting Family and Medical Leave shall submit a "Leave of Absence Application" to his or her department head. Upon notification of the leave request, Human Resources will forward the "Certification of Health Care Provider" or the "Certification for Serious Injury or Illness of Covered Service Member for Military Caregiver Leave" to the employee. This form must be returned to Human Resources within 10 calendar days.

- i. The certification shall be filed on a form provided by Human Resources;
- ii. Recertification shall be filed on the same form by the employee anytime that the employee seeks an extension to his or her leave or every six months;
- iii. The information required on the "Leave of Absence Application" form is the only information that may be requested by the Department head to support the leave request.
- iv. The "Certification of Health Care Provider" form(s) may be executed by a person licensed by the State to practice medicine, osteopathy, podiatry, dentistry, clinical psychology, optometry, or chiropractic, or by a nurse practitioner or nurse midwife authorized by State law, or Christian Science practitioners appropriately listed.
- v. The "Certification for Serious Injury or Illness of Covered Service Member for Military Caregiver Leave" must be completed by a United States Department of Defense (DOD) Health Care Provider or a Health Care Provider who is either:
 1. a United States Department of Veteran's Affairs (VA) health care provider;
 2. a DOD Tricare network authorized private health care provider; or,
 3. a DOD non-network Tricare authorized private health care provider.

d. Scheduling of Foreseeable Leaves

If an employee plans to take a Family Illness Leave, an Employee Illness Leave or Military Caregiver Leave because of planned medical treatment, the employee must make an effort to schedule the treatment to reduce the disruption to the City, subject to the health care provider's approval. An employee should generally consult with his or her supervisor to explore alternatives to reduce disruption to the City.

e. Notice of Unforeseeable Leave

When a Family Illness Leave, an Employee Illness Leave, Military Caregiver Leave or Qualifying Exigency Leave is needed due to a reason that was not foreseeable, the employee should give Human Resources verbal or written notice as soon as he or she reasonably can. As soon as practicable, the written notices set forth above in paragraphs V.C.(1) – (5), shall be completed by the employee requesting unforeseeable leave.

f. Effect of Insufficient Notice

An employee's failure to give adequate notice may delay, or may result in the denial of, the employee's right to take Family and Medical Leave.

VI. CONFIRMATION OF LEAVE:

- a. The City will inform employees who request Family and Medical Leave whether they are eligible for a leave that is covered by the FMLA within five (5) business days, absent extenuating circumstances. If the leave is approved, Human Resources will send a "Notice of Eligibility and Rights & Responsibilities" form to the employee.
- b. If they are not eligible and the leave is denied, the reason will be stated on the form. If the leave is approved, the Human Resources Department will forward a "Designation Notice" to the employee.

VII. LENGTH OF LEAVE AND RESTORATION RIGHTS:

a. In General

- i. In general, expect for those employees taking Military Caregiver Leave, an employee will be entitled to a maximum of 12 weeks of Family and Medical Leave during any 12-month period. The 12-month period is a "rolling" period measured backward from the date an employee uses any leave under this policy. Each time an employee takes any Family and Medical Leave, the remaining leave entitlement will be any balance of the 12 weeks that has not been used during the immediately preceding 12 months.
- ii. In the case of Military Caregiver Leave, an employee is entitled to a maximum of 26 weeks of leave in the 12-month period beginning on the first day that the employee takes this form of leave and ending 12 months later.

b. Nature of the Leave

- i. Unless otherwise approved, a Birth, Adoption and Child Care Leave must be taken at one time and must be taken before the end of the 12-month period beginning on the date of the child's birth or placement. The other Family and Medical Leaves may be taken through either a reduced working schedule or intermittently if such an arrangement is medically necessary, or if the City approves such an arrangement in its sole discretion.
- ii. If an employee is entitled to a Family Illness Leave, an Employee Illness Leave or a

Military Caregiver Leave or if the employee is permitted to work on a reduced work schedule or intermittent basis, the City may transfer the employee temporarily to a position for which he or she is qualified and which has equivalent pay and benefits if the alternative position would better accommodate the recurring leaves than the employee's regular position. Use of intermittent or reduced schedule leave is measured in increments of one hour.

iii. Qualifying Exigency Leave may also be taken on an intermittent basis.

c. Restoration Rights

i. In General

At the end of a Family and Medical Leave, an employee will generally have the right to return to his or her last position before the leave or to an equivalent position with equivalent benefits, pay, accumulated seniority, retirement, fringe benefits, service credits and other terms and conditions of employment. In returning from any of these leaves, the employee will not lose any benefit rights, such as vacation, to the extent that those benefit rights accrued before the leave period. However, an employee returning from Family and Medical Leave will not acquire greater rights to a position than any other employee in the event positions are eliminated during his or her leave.

ii. Extension of Leave

In the event that a Family and Medical Leave is extended beyond a level totaling 12 weeks of leave over 12 months (or 26 weeks in the case of Military Caregiver Leave), the leave will become "personal leave" and the City will consider the possibility of restoration but will not guarantee restoration. The determinations regarding whether to grant an extension and to grant restoration after an extension will be made in the City's sole discretion after considering factors such as the purpose of the leave extension, the employee's length of service, the employee's overall employment record, the employee's position, and the City's assessment of its needs. For details on the duration of and procedures associated with personal leave, see the "Leaves of Absence Without Pay" section of this manual.

iii. Certification Before Return

Before an employee may return from an Employee Illness Leave that has continued at least 90 calendar days, the employee's health care provider may be required to certify that the employee is able to resume his or her job. The cost of the certification shall be borne by the employee and the employee is not entitled to be paid for the time or travel costs spent in acquiring the certification.

VIII. PAY AND BENEFITS:

a. Pay

i. Family and Medical Leaves shall be recorded on time sheets as it is taken. Family and Medical Leaves are not paid leaves. However, an employee may substitute a paid leave for which the employee is eligible for an otherwise unpaid leave. Such a substitution will be counted against the employee's use of leave. The leave will remain subject to all

protections that would apply if the leave was taken on an unpaid basis. For example, if the Family and Medical Leave is paid leave from accrued vacation or sick leave, it shall be recorded as both on the time sheet and deducted from both. Family and Medical Leave will run concurrently with vacation or sick leave and time off for worker's compensation injuries. Employees who seek paid leave will need to meet the notice and qualification requirements under the paid leave policy.

- ii. If no other paid leave is available but an employee is eligible for accrued paid leave such as vacation pay or paid personal days, the employee will be required to use that accrued leave during a leave under this policy until that leave is exhausted.
- b. Maintenance of Health Benefits
- i. During a Family and Medical Leave, the City will continue the employee's health insurance coverage, provided that the employee pays for the regular employee share of such coverage on a timely basis as if he or she had remained actively employed. During any paid leave, the employee share of the premiums will be deducted from the employee's pay. During the unpaid portion of a Family and Medical Leave, the employee will be required to pay the employee's share by delivering the payment so that it is received by the City no later than the established date as determined by Finance.
 - ii. If the employee fails to return from the leave, the City may be entitled to recover from the employee the portions of the health insurance premiums that were paid by the City with respect to the unpaid leave. The City will be entitled to recover these amounts unless the employee's failure to return was due to a serious health condition (within the meaning of the FMLA) or if there are other circumstances beyond the employee's control. If the employee states that he or she is unable to return from the leave because of a serious health condition, the City may require the employee to provide a medical certification.

IX. MEDICAL RECORDS:

Documents relating to medical certifications, recertification's of employees or employees' family members will be maintained separately and treated as confidential medical records, except that in some legally recognized circumstances, the records (or information in them) may be disclosed to supervisors or Department heads, first aid and safety personnel, or government officials.

X. FMLA VIOLATIONS AND ENFORCEMENT:

a. Unlawful Actions by Employers

The FMLA makes it unlawful for any employer to:

- i. Interfere with, restrain, or deny the exercise of any right provided under the FMLA; or,
- ii. Discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or related to the

FMLA.

b. Enforcement

- i. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.
- ii. The FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

SECTION 60-11 PREGNANCY DISCRIMINATION ACT

I. PURPOSE:

The City of Lemoore will conform to the Pregnancy Discrimination Act (Civil Rights Act of 1964 as amended, Title VII, Section 701 et seq.) as well as all relevant pregnancy leave provisions in federal, state and local statutes.

II. STATEMENT OF POLICY:

- a. A female employee will not be terminated because of her pregnancy.
- b. Employees who are disabled as a result of pregnancy will not be denied any compensation that they are entitled to as a result of the accumulation of leave benefits accrued; however, the City of Lemoore reserves the right to require medical verification that the employee is not able to perform employment duties.
- c. The City of Lemoore will grant the employee a reasonable leave of absence for pregnancy but will not require an employee take a mandatory maternity leave for an unreasonable length of time.
- d. Employees should notify their supervisor or their designee of a desire to take Maternity Leave upon confirmation of pregnancy. As soon as reasonable, the employee should report the expected due date, the estimated leave of absence, and anticipated complications that may affect current leave requests.
- e. Upon signifying intent to return to work at the end of the leave of absence, the employee will be reinstated to the original job and/or equivalent position with equivalent pay and accumulated seniority, retirement, fringe benefits, and other benefits.

SECTION 60-12 CATASTROPHIC LEAVE

I. PURPOSE:

To establish a consistent policy with regard to the procedures for administering Catastrophic Leave.

II. STATEMENT OF POLICY:

This policy applies to all employees hired by the City of Lemoore.

The following procedures should be followed in the administration of Catastrophic Leave.

- a. Catastrophic leave benefits have been established for City employees who have exhausted all accumulated vacation, sick leave and compensatory time off. The purpose of this benefit is to provide a portion or all of the employee's pay during the time the employee would otherwise be on medical leave of absence without pay pursuant to the City's Personnel Rules. Catastrophic leave benefits are contingent on the receipt of donated time in the manner described below.
- b. Catastrophic leave shall conform to the guidelines for leave of absence without pay set forth in the City's Personnel Rules except that, during the portion of the leave of absence that is also catastrophic leave, the employee will be paid. Although employees on catastrophic leave will receive catastrophic pay, for all other purposes, except as indicated below, such employees will be considered on leave of absence without pay pursuant to the City's Personnel Rules and they shall not accrue any leave rights while on catastrophic leave.
- c. In no event, may an employee take more than six (6) months of catastrophic leave during any twelve (12) month period. To calculate the remaining leave entitlement, the balance shall be any balance of the six (6) months that has not been used during the immediately preceding 12 months.
- d. Catastrophic leave and leaves of absence without pay shall run concurrently.
- e. An employee is eligible for catastrophic leave when the employee faces injury, prolonged illness (based on documented medical evidence), or death of the employee or a family member which will result in the employee being absent from work. Family members include the employee's spouse, parent, child, foster child, or other family member approved by the City Manager.
- f. Catastrophic leave requests are not accepted, or considered, for pregnancy related leave. Any event during pregnancy or birth that has resulted in a significant medical condition or illness may be considered.
- g. Any City employee may donate vacation and/or compensatory time to any covered employee who meets the conditions described above. Employee may not donate sick leave, holiday, floating holiday, or any other leaves.
- h. Employees (or their designees) requesting establishment of a catastrophic leave bank must submit a written request to Human Resources. The request must provide sufficient information to enable the City Manager, or designee, to determine whether the reason for the leave qualifies as catastrophic. SECTION 70-5 EARLY RETURN-TO-WORK (ERTW) PROGRAM

I. PURPOSE:

To establish a policy and procedure whereby an employee who is disabled due to injury or illness or who is otherwise unable to work for a medical reason and who needs reasonable

accommodation to perform the essential functions of the position may return to work as soon as medically appropriate to a temporary position with modified work duties. The objective of the ERTW Program is to return the employee to productive work as soon as feasible in accordance with the Americans with Disabilities Act (ADA) and Fair Employment and Housing Act (FEHA).

II. STATEMENT OF POLICY:

- a. The cornerstone of the ERTW Program is prompt and interactive communication with the employee and the employee's physician to explore potential reasonable accommodations that could be made to enable the employee to return to work. The purpose of communication with the physician is to inform the physician about the job demands of the employee's usual and customary assignment and to obtain information concerning the employee's work limitations. Consistent with its obligations under the ADA and FEHA, if an employee has a known disability, the City will explore reasonable accommodations to enable the employee to return to work, including but not limited to transitional or alternate work assignments. The City has set up these guidelines for supervisory personnel to follow when a position may be temporarily modified to accommodate the injured employee's work limitations, thereby allowing him or her to return to work at the earliest, medically appropriate date.

III. TRANSITIONAL OR ALTERNATE ASSIGNMENT:

When an employee has a known disability and his/her work limitations are not compatible with the job demands of the employee's current assignment, Human Resources and/or designee, the employee, and the employee's supervisor working in conjunction with the employee's physician may explore providing the employee a temporary transitional or alternate assignment consistent with the employee's work limitations. Temporary transitional or alternate assignments are temporary in nature, and do not create an entitlement to such an assignment. The decision to offer such an assignment is in the discretion of the City in accordance with its obligations under the ADA and FEHA. At no time will an employee be assigned to perform work that may pose a safety and/or health risk to themselves or others.

- a. Transitional assignments may include but are not limited to including one or more of the following characteristics:
 - i. Limited physical ability requirements;
 - ii. Can be taught to the employee quickly;
 - iii. May be subject to a flexible work schedule, including but not limited to shortened workdays or reducing the number of hours;
 - iv. Will minimize exposure of the worker to further injury and will not slow down the worker's recovery time.
 - v. Modifying the employee's current tasks to allow the employee to perform some or all of the current tasks in a manner that is consistent with the employee's work limitations.
 - vi. Assigning additional tasks to the employee, if appropriate, and if consistent with the employee's work limitations.

Alternate assignments are assignments to vacant positions when operationally feasible with tasks that the employee is able to perform consistent with the employee's work limitations.

IV. PROCEDURES:

- a. Human Resources, and/or designee, shall communicate with the employee or employee's physician to obtain medical certification releasing the employee to return to work, whether with or without work limitations. The employee must provide Human Resources and/or designee with a copy of medical certification releasing the employee to return to work before the employee is permitted to return to work. Such medical certification shall detail any and all work limitations, the estimated duration of the employee's work limitations, and an estimated return to work date. Human Resources and/or designee may communicate with the employee's physician to obtain additional information concerning the employee's work limitations, duration of the work limitations, and return to work date.
- b. Upon receipt of the physician's recommendation, Human Resources and/or designee shall engage in prompt interactive communication with the employee and/or the employee's supervisor to explore reasonable accommodations to enable the employee to return to work, if medically appropriate, including the offering of a transitional or alternate assignment to the employee.
- c. If it is determined that a transition or alternate assignment is appropriate, the job duties of the transitional or alternate assignment shall be reviewed with the employee. The employee shall have the opportunity to suggest modifications to the job duties to accommodate the employee's work limitations. Job duties may be modified when appropriate or in a manner consistent with the City's operational needs and the employee's work limitations.
- d. Transitional or alternate assignments are temporary. Transitional or alternate assignments may be discontinued when the employee is released by his/her physician to return to the previous assignment, without work limitations or with reasonable accommodation for work limitations; the employee is determined to have reached maximum medical improvement or be permanent and stationary; the transitional or alternate assignment is longer consistent with the City's operational needs; the employee separate from City employment; or for any other reason permitted under law.
 - i. Transitional employment is temporary and must have a designated start date and end date set at the time of the employee's return to work.
 - ii. The end date may be extended if the employee requires additional time to recover, or the employee may be assigned to other transitional duties with a specific start and end date.
 - iii. Transitional or alternate assignments will normally not exceed a term of forty-five (45) calendar days. Temporary or alternate assignments may be extended based upon re-evaluation of the employee's work limitations and if extension is determined to be appropriate under the circumstances. There may be instances where it may be appropriate for the employee to be placed off work (e.g., if the

employee is totally temporarily disabled or needs additional time to recover while off work). An employee may be placed off work based upon an evaluation of the employee's work limitations, taking into account the City's operational needs and its obligations under the ADA and FEHA.

- e. The employee is responsible for communicating any change in assignment to the Worker's Compensation Claims Adjuster so any adjustment to benefits may be made. This adjustment occurs whether or not the employee accepts the transitional or alternate assignment offered.
- f. The City will notify the Claims Adjuster when the employee accepts or refuses an offer of a transitional or alternate assignment for the purpose of calculating benefits adjustments.
- g. **If the injured employee refuses an offer of transitional or alternative employment, it is possible that the employee may lose benefits paid by Worker's Compensation.**
- h. Department heads and Supervisors are key players in promoting safety at work, encouraging workers to return to their jobs, keeping costs associated with accidents and work-related illnesses low, and managing the work so productivity is not lost while an employee is temporarily disabled or in a transitional or alternate assignment.
- i. This policy is not intended to affect an employee's rights under the ADA or FEHA or to in any way limit an employee's rights under the law (e.g., rights under the Family Medical Leave Act, California Family Rights Act, etc.).
