LOCAL STREET CLOSURE PERMIT INSTRUCTIONS

Please complete the attached forms and return to the Lemoore Police Department at least one week before the event. The residents on the block where a street closure is sought are asked to sign if they are in favor of the closure (One signature per residence).

According to the direction of the Chief of Police, the *majority (half plus one)* of the persons residing in the affected area must agree to the street closure. For example, if there are twenty (20) homes on a block, than eleven (11) signatures must be obtained in order for a street closure to be considered. There are, however, other factors that must be considered as well, such as vacant homes, residents on vacation, major thoroughfares, public safety concerns, etc. After consideration, a request will be approved or denied.

If this application is approved, there will be a \$60.00 deposit for the barricades which will be refunded within 14 days after the barricades are returned. It is your responsibility to pick up barricades one business day BEFORE the street closure and return barricades the first working day AFTER the street closure. Barricades must be in the same condition as when they were issued. If barricades are damaged or if they are not returned, you will be charged an amount not to exceed \$60.00 for replacement which will be deducted from your deposit. If barricades are returned late, you will be charged a late fee of \$5.00 per day.

If you have any questions regarding this permit process, please do not hesitate to contact the Lemoore Police Department Monday through Friday 8:00 AM to 5:00 PM at 559-924-9574.
