Proposed Motion:

Approve the agreement with Price Paige and Company for financial consulting services for fiscal year 2025-2026, and authorize the City Manager, or designee, to execute related contract documents.

Subject/Discussion:

Since July of 2019, the City has been working with Price Paige and Company to review current policies and procedures and implement best practices. The financial consultant has been a critical part of the City's efforts to solidify financial practices regarding internal processes, as well as adhering to governmental accounting standards.

City staff and Price Paige have built a strong partnership, ensuring that public funds are accounted for in the most appropriate manner. Our partnership has resulted in a reduction of audit findings and stronger internal controls.

Staff is recommending that City Council continue the partnership with Price Paige and Company and approve a contract for the following tasks:

- 1) Audit preparation and year-end financial statement preparation.
- 2) Annual Financial Transactions Reports
- 3) Contingency

The use of financial consulting will reduce the cost of the annual audit, will provide for necessary review of current practices to ensure compliance with state and federal standards, will help to establish best practices, and will provide a foundation for continued financial practices in the future.

Financial Consideration(s):

The cost of the financial consulting for Fiscal Year 2025-2026 is \$75,000. This is funded through the general fund and is included in the FY 2026 budget.

Alternatives or Pros/Cons:

Pros:

- Completion of year-end closing of the City's financials
- Preparation of financial statements for the annual audit
- Review and development of internal practices
- Compliance with governmental accounting best practices
- Training and consultation for finance staff

Cons:

- None noted.
