Projects-

We have begun training and implementation of our new website. This will provide an easy “one stop shop” place for people to register for classes, programs, and rent any of our facilities. We have currently been having to use Eventbrite which adds an additional cost to customers and vendors, so this will eliminate the need for that site.

Chairperson Juan is working on a project to add shade trees to the complex. We are grateful for his time and donations towards making the complex a better place.

Events and Programs-

Summer Bash- This just took place on August 1st from 4-7pm. It was a great success. We applied for a donation from PGE and were awarded that sponsorship, which covered backpacks, supplies, and a lot of the fun equipment that was seen there. We successfully gave out over 400 backpacks. Anna has always been so gracious to donate her time and her bounce houses for our events.

We are currently in the works of planning a Senior Celebration day. Offering senior citizens many different resources.

Upcoming Programs-

Flag Football Season starts September 19th. On that day we are starting a "Kick Off". I've invited vendors to join us, we'll be putting out all of our yard games, and open to any other ideas.

Misc. Information-

Vincent Ortega is now our Recreation Specialist, and Anna Moreno is now our Recreation Coordinator.
